The following Act, passed by the Governor General of India in Council on the 30th January 1852, is hereby promulgated for general information.

ACT NO. VI. OF 1852.

An Act for defraying the Cost of a Light-House on Pedra Branca.

Whereas it has been deemed expedient, for the safety and guidance of Ships navigating the China Seas, to build a Light-House on the Island Rock called Pedra Branca, situated at the Eastern entrance of the Straits of Singapore; And whereas certain sums of money were subscribed by private individuals for that purpose, but the same were insufficient to defray the expense of building such Light-House; And whereas the East India Company agreed to build such

Light-House, and to advance certain sums of money to complete the same, on condition that the said sums of money were repaid to them by the levy of a toll on Ships and other square-rigged Vessels entering the harbour of Singapore; And whereas the said Light-House has been built by the East India Company, and it is desirable that the expense of building the same, and of maintaining a Light thereon, should be defrayed out of the monies arising from such toll: And whereas it may hereafter be deemed expedient to establish other Lights, or beacons in the Straits of Malacca or elsewhere near thereto, It is enacted as follows:

I. The Light-House on Pedra Branca aforesaid shall be called "The Horsburgh Light-House," and the said Light-House, and the appurtenances thereunto belonging or occupied for the purposes thereof, and all the fixtures, apparatus, and furniture belonging thereto, shall become the property of, and absolutely vest in the East India Company and their successors.

II. From the first day of March, 1852, every Ship, being of the burden of fifty tons and upwards, which shall arrive at, or enter the harbour or roadstead of Singapore, from any part of the world, shall pay a toll of three cents of a dollar per ton for every ton of her registered burden or tonnage: Provided always that no Ship shall pay such toll more than once in every six calendar months.

III. All Ships of War belonging to Her Britannic Majesty, or any Foreign Government or State, and all armed Ships belonging to the East India Company, shall be exempt from the payment of such toll.

IV. The management and controul of the said "Horsburgh Light-House," and of the keeper thereof, and of everything relating thereto, is hereby vested in the Governor of the Straits Settlements.

V. The said Governor may appoint any person he may think fit, to be a Collector of the tolls payable under this Act.

VI. Out of the funds raised by such tolls, an efficient Light shall be constantly kept up and exhibited during the night-time in and from the said Light-House, and the surplus monies arising from such tolls, after deducting the expense of maintaining such Light as aforesaid, shall, from time to time, be paid over to the said East India Company, in liquidation of the monies they have advanced towards the erection and completion of the said Light-House, and the apparatus and furniture thereof.

VII. The toll to be levied under this Act shall become due and payable immediately on the arrival of every Ship liable thereto within the harbour or roadstead of Singapore; and immediately on the arrival of any such Ship within the said harbour or roadstead, the Collector appointed under this Act shall demand, or cause to be demanded, from the master or other person in command of such Ship, payment of the toll of three cents of a Dollar per ton for every ton of the registered burden or tonnage of such Ship, and if the same be not paid within two days after such demand made as aforesaid, or if at any time after the arrival of such Ship as aforesaid, the said Collector shall have cause to suspect, or believe, that such Ship will immediately leave the said harbour or roadstead, without paying such toll, it shall be lawful for any Justice of the Peace, upon an affidavit to that effect being made before him on oath by such Collector (which oath the said Justice is hereby authorized to administer), to issue his Warrant under his hand, directed to any

Peace Officer of Singapore aforesaid, to enter on board such Ship, and to seize and carry away any of the goods, merchandize, guns, tackle, apparel or furniture of or belonging to or on board such Ship, and to keep the same for the space of three days then next, unless the said toll shall be in the mean time paid; and in case the amount of the toll due by such Ship shall not before the expiration of such three days have been paid, then the said Collector may cause the said goods, merchandize, guns, tackle, apparel or furniture so seized to be sold, and out of the proceeds of such sale shall pay the amount of the said toll to which such Ship shall be liable, together with the reasonable charges of the seizure, detention, and sale, rendering to the master or owner, or other person having the command of such Ship, the overplus (if any) on demand.

VIII. The Officer of Government whose duty it shall be to grant a Port-clearance for any Ship clearing out of or leaving the port of Singapore aforesaid, shall refuse to grant such Port-clearance to any Ship until the owner, agent, master or other person in command of such Ship shall produce a certificate from the Collector appointed under this Act that such Ship has paid the amount of toll to which she is liable under this Act.

IX. Notwithstanding anything in this Act contained, the said Collector appointed under this Act, may sue for and recover the amount of any tolls payable to him under this Act, by action of debt or suit in equity in any of Her Majesty's Courts in India, against the owner, or master, or other person who, at the time of default made in the payment of such toll, owned or had the command of any Ship liable thereto.

X. In order to ascertain the exact burden or tonnage of any Ship liable to pay the toll leviable under this Act, the Collector appointed under this Act may apply to any Justice of the Peace to require, and such Justice of the Peace shall thereupon summon and require, the owner, master, or other person in command of such Ship, or any person having possession of the same, to produce the register of such Ship, for the inspection of such Justice, and upon the refusal or neglect of any such owner, master, or person to produce such register, it shall be lawful for such Justice to adjudge such owner, master, or person to pay a fine not exceeding one hundred dollars, and in default of payment, to be imprisoned in Her Majesty's Gaol for any period not exceeding two calendar months.

XI. When and so soon as the monies to be advanced by the said East India Company towards the erection and completion of the said Light-House shall have been fully repaid and liquidated in manner herein provided for, it shall be competent for the Governor of the Straits Settlements, to build, or cause to be built, one or more other lights or beacons for the safety and guidance of Ships in such part or parts of the Straits of Malacca, or near thereto, as shall be deemed expedient, and the cost thereof, and of maintaining the same, and of keeping up and exhibiting a light or lights therefrom, shall be defrayed out of the surplus monies arising from the toll payable under this Act, after defraying the current expenses of maintaining the "Horsburgh Light-House" aforesaid.

XII. Nothing in this Act contained shall be construed to authorize the levy of a toll upon any Ship passing through the Straits of Singapore and not entering the said harbour or roadstead of Singapore aforesaid.

XIII. The word "Ship" throughout this Act mentioned, shall be held to mean and include a Schooner, Cutter, Brig, Brigantine, Barque, Junk, Steam-Boat, and every other Vessel, as well as a Ship; and words importing the singular number only shall include the plural number, and words importing the plural number only shall include also the singular number, and words importing the masculine gender shall extend to females, unless there be something in the subject or context repugnant to such construction.

Port William, Home Department, Legislative,

The following Draft of a proposed Act was read in Council for the first time on the 30th of January 1852.

ACT No. — OF 1852.

An Act to amend the Law relating to the duties payable on Tobacco and Ganza, and the retail sale and warehousing thereof, in the Islands of Bombay and Colaba.

Whereas it is expedient to amend the law relating to the duties payable on Tobacco and Ganza, and the retail sale and warehousing of those articles in the Islands of Bombay and Colaba, It is hereby enacted as follows :

I. Chapters V. VI. VII. and VIII. of Regulation XXI. of 1827, Regulation XXXIII. of 1827 and Regulation XV. of 1828, of the Bombay Code, and Act XXIV. of 1850, are hereby repealed, but not so as to revive any other Regulation or Act thereby repealed.

II. All Tobacco and Ganza (except such small quantities thereof as are hereinafter mentioned), imported from any place into the Islands of Bombay and Colaba, shall be liable to the duty prescribed by the Acts now in force for regulating Customs, which duty is hereinafter called the customary duty. All Tobacco and Ganza (except such small quantities thereof as are hereinafter mentioned), imported from any place into the said Islands and intended for consumption in Bombay or Colaba, shall be liable to an additional duty of Rupees seven and eight annas per Indian Maund, which duty is hereinafter called the special duty.

III. The said special duty shall be paid at the option of the importer, either on importation, or after being warehoused as hereinafter mentioned, and no drawback of the said special duty shall be allowed unless the Tobacco or Ganza, on which such drawback may be claimed, has been warehoused in, and shall be re-exported from, a bonded warehouse, in which case a drawback of the whole of such special duty shall be allowed, if claimed at the time of exportation.

IV. If the said special duty is not paid on importation, the Tobacco or Ganza shall be warehoused in a bonded warehouse, and the importer shall pay such special duty on the said Tobacco or Ganza on its removal from the warehouse for consumption.

V. The Collector and Officers of Customs shall have all the same powers and authorities for collecting and enforcing payment of the said duties, in addition to the powers and authorities specified in this Act, as they now have or shall

have in respect of the duties on any other customisable articles.

VI. It shall not be lawful, without the special permission of the Collector of Customs, to bring any Tobacco or any preparation thereof, or any Ganza, into the Islands of Bombay and Colaba, otherwise than by sea, nor to land the same at any other landing place or places than such as may from time to time be prescribed by proclamation by the Bombay Government.

VII. Sections II., III., IV. and VI. of this Act shall not be applicable to small quantities of Tobacco and Ganza imported into the said Islands, not exceeding in quantity 1 pound weight of Tobacco, or half a pound weight of Ganza, provided that the same be openly imported for the personal consumption of the importer.

VIII. The port of Bombay shall be a warehousing port, within the meaning of Act XXV. of 1836, so far as regards the warehousing of Tobacco and Ganza, and the said Act shall be applicable to the warehousing of Tobacco and Ganza in the said Islands of Bombay and Colaba, and the Import duty in the said Act mentioned shall, as to Tobacco and Ganza, mean the customary and special duty leviable under this Act.

IX. It shall not be lawful to remove any Tobacco or Ganza from any place within the Islands of Bombay and Colaba to any other place, nor to carry or convey the same on any thoroughfare in the said Islands, nor to carry the same on any vessel or boat of less than forty candies' burthen in any of the creeks or waters adjacent to the said Islands, without a permit from the Collector of Customs, which permit may be in the form of Schedule A. to this Act annexed, or to the like effect. Any such permit shall be in force only between sun-rise and sun-set of the day on which it is granted. Provided always, that Tobacco and Ganza may be imported as in Sections IV. and V. of this Act is mentioned, and it shall also be lawful to remove without a permit, for personal or domestic use, small quantities of Tobacco and Ganza from the shop of a retailer licensed as hereinafter provided, or to carry Tobacco and Ganza on boats or vessels of less than forty candies' burthen proceeding direct from a regular anchorage in the harbour to any place duly appointed for landing Tobacco and Ganza.

X. The Collector of Customs shall not grant any permit for the removal of any Tobacco or Ganza from a bonded warehouse, unless the quantity to be so removed is an entire bale or package weighing in the case of Tobacco at least four Cwt., and in the case of Ganza at least half a Cwt., but when application is made to remove a bale or package from bond for consumption in Bombay or Colaba, the Collector may permit such bale or package to be opened, and the refuse of the Tobacco and Ganza to be removed and destroyed in the presence of a Government Officer, and the special duty may be remitted on the refuse so removed and destroyed.

XI. It shall not be lawful for any person to sell or offer for sale by retail any Tobacco or Ganza within the Islands of Bombay and Colaba without a licence for that purpose under the hand and seal of the Collector of Customs, or other licensing Officer specially appointed by the Bombay Government, and the licence may be in the form of Schedule B to this Act annexed, or to the like effect, and shall be in force for a period of twelve calendar months from the date thereof, unless earlier withdrawn or cancelled by the

licensing Officer, and for every such licence the Collector of Customs, or other licensing Officer, shall receive on account of Government a fee of one Rupee.

XII. Every person applying for the renewal of any licence for the retail sale of Tobacco or Ganza shall give notice of such application at least ten days before the expiration of his existing licence, and on failing to give such notice he shall, previous to the renewal of his licence, pay to the licensing Officer, on account of Government, the sum of Rupees twenty.

XIII. Any sale of Tobacco not exceeding in weight fifty-six lbs. Avoirdupois, or of Ganza not exceeding twenty-eight lbs. Avoirdupois, shall be deemed to be a retail sale within the meaning of this Act.

XIV. It shall not be lawful for any licensed retail dealer in Tobacco or Ganza to carry on the retail sale of the same, or to warehouse or deposit any store of the same except at such shop, shops, or other premises as may be specified in his licence, and the name of every retail dealer in Tobacco or Ganza, together with the number of his licence, shall be written or painted in English, Guzerati and Maharatti, and in plain and legible characters of not less than one inch in height, on a board to be affixed in a conspicuous manner in the front of the shop or premises where the retail sale of the articles aforesaid may be carried on.

XV. Every retail dealer in Tobacco or Ganza shall on or before the third day of each month make to the Collector of Customs, or other licensing Officer, a separate Return, for each shop or place of retail sale, of the quantity of Tobacco or Ganza which he had on hand at the beginning of the preceding month, and also of the balance remaining in hand at the close of such month, and he shall in like manner and at the same time, produce and give to the Collector of Customs or other licensing Officer, a written Statement showing the several purchases of Tobacco or Ganza which he shall have made during the preceding month, and the parties from whom and the dates on which such purchases were effected, and any licensed retail dealer who may refuse or neglect to produce such Return and Statement as above provided, or who may produce a false Return or Statement, shall be liable to be deprived of his licence by the said Collector of Customs or other licensing Officer, in addition to such fine as he may incur under this Act.

XVI. It shall be lawful for the Collector of Customs or other licensing Officer at his discretion to refuse to grant or renew any licence for the retail sale of Tobacco or Ganza to any party applying for the same, or on giving three months' notice, to withdraw any such licence from the holder thereof, without stating any reason for such refusal or withdrawal.

XVII. It shall be lawful for the Collector of Customs or other licensing Officer to issue a special warrant under his hand and seal, authorizing any public Officer to enter any building or place of deposit in which Tobacco or Ganza may be deposited under the provisions of this Act; or in which such Collector of Customs or other licensing Officer has been credibly informed that such Tobacco or Ganza has been and is deposited contrary to the provisions of this Act; and for such purpose such public Officer shall have power, if necessary, to break open any doors, drawers, or other place or receptacle or supposed

receptacle, and to examine and weigh any Tobacco or Ganza therein found, and to seize, remove and take away from thence any Tobacco or Ganza or other articles subject to confiscation under this Act, and to detain the same until the case has been adjudicated on, as hereinafter provided.

XVIII. It shall be lawful for the Collector of Customs or other licensing Officer, or any Officer authorized by him, to enter and search, with the like power as in the last Section mentioned, any vessel, boat or vehicle suspected of containing, and to detain any person suspected of having, any contraband Tobacco or Ganza, and to seize, take away, and detain the same until the case has been adjudicated as hereinafter provided.

XIX. All Tobacco or Ganza imported into the Islands of Bombay and Colaba, or exported thence, or there warehoused, or removed from one place of deposit to another, contrary to the provisions of this Act, or found in the possession of any party in Bombay or Colaba, illegally selling or offering any portion thereof for sale, shall be liable to confiscation to Government together with every vessel in which it is contained, and every vehicle, vessel, boat, or animal employed with the consent and knowledge of the owner or his servant in conveying or containing the same; Provided always that it shall be lawful for the adjudicating Officer to mitigate the penalty of confiscation herein provided, by commuting the same to the payment of any fine not exceeding the value of the goods liable to confiscation, and every such fine may be enforced, if necessary, by the sale of the goods liable to confiscation.

XX. Any person who shall illegally import, export, remove or sell in Bombay or Colaba, any Tobacco or Ganza, or who shall knowingly have in his or her possession, or shall conceal or smuggle any Tobacco or Ganza subject to confiscation under this Act, or who shall commit or knowingly aid in the commission of, or abet any breach of this Act, shall be liable to a fine not exceeding ten times the value of such Tobacco or Ganza, and in default of payment of such fine, such offender shall be liable to imprisonment for any term not exceeding six calendar months, unless such fine shall be sooner paid.

XXI. It shall be lawful for any Officer appointed by the Bombay Government for that purpose to declare and adjudge any Tobacco, Ganza, or other property seized, taken or detained under this Act to be forfeited and confiscated to Government.

XXII. All fines under this Act may be enforced and levied by any Magistrate of Police under Act II. of 1839.

NEW PILOT STATION

FOR THE

S. W. Monsoon—Distinction of Lights.

NOTICE is hereby given, that from and after the 15th of March 1852, the Pilot Station for the South West Monsoon will be changed to the position described in the following Sailing Directions of the Master Attendant of this Port; and that from and after the date specified, the Eastern Channel Light Vessel will show a *bright red light* instead of a *plain one*, as at present, to distinguish it from the Gasper Channel Light, which bears from it about N. N. W., distant 22 miles.

By Order of the Superintendent of Marine,

JAMES SUTHERLAND,

Secretary.

Fort William, the 6th May, 1851.

Sailing Directions for Vessels requiring Pilots during the South West Monsoon at the New Station, on the North East part of the Pilot Ridge.

False Point Light House is in latitude $20^{\circ} 19\frac{1}{2}'$ north and longitude $86^{\circ} 47'$ east, and a buoy is placed in $21\frac{1}{2}$ fathoms on the Pilot's Ridge, in latitude $20^{\circ} 49\frac{1}{2}'$ north, and longitude $87^{\circ} 42'$ east, the buoy therefore bears from False Point Light House north $59^{\circ} 49'$ east true, and distant $59\frac{1}{2}$ miles.

A vessel therefore after making the Light House at False Point (in passing which she ought not to go into less than 10 fathoms) should bring it to bear about *west south west* 10 or 15 miles distant, when she will be in 11 or 12 fathoms, then steer *east north eastward*, when the soundings will gradually increase to 23 fathoms on the eastern edge of the Pilot's Ridge. She should then regulate her course so as to keep between the Ridge and 27 fathoms, when by attention to the lead and nature of the soundings, course and distance run from the Light House, it is almost impossible to avoid making the Pilot Vessels, as their cruising ground is immediately to the north east of the Light Vessel stationed during the South West Monsoon in close proximity to the buoy on the Ridge.

The soundings to seaward of the Pilot's Ridge are in general a greenish or olive coloured mud, with occasionally a few bits of broken shells mixed with it; whilst those on the Ridge are of a shelly sand, or minute gravel, of a reddish or rusty brown color.

Vessels approaching the Station are earnestly warned to be careful in avoiding collision when communicating with either the Light, or supplying Pilot Vessels; and on making the former at night, they are strongly recommended to heave to, at a proper distance till day-light, by which measure they will avoid the probability of passing the supplying Pilot Vessels in the darkness of the night.

The Eastern Channel Light Vessel is in latitude $21^{\circ} 04'$ north and longitude $88^{\circ} 14'$ east, and therefore bears from the buoy on the Pilot's Ridge, north $63^{\circ} 26'$ east, true; and distant $32\frac{1}{2}$ miles.

The Eastern Channel Light Vessel burns a blue light every hour during the night, commencing at 7 P. M. and a maroon (or torch) at the intermediate half hours, and her standing Light will from the date above specified, be a *bright red* colour.

The Pilot's Ridge Light Vessel shows one plain standing Light, and burns a blue light every hour,

Master Attendant's Office, }
the 25th March, 1851. }

NOTIFICATION.—An examination will be held early in April 1852, in the College of Fort William, for the purpose of filling up existing vacancies in the Military Class of the Medical College. All candidates will be expected to possess a knowledge of the Hindustani language, adequate to enable them to read and write it in the Persian or Devanagri character.

2nd. All Interpreters of Regiments and Battalions will be requested, through the Military Departments, not to grant certificates of qualification to any candidate under the age of fifteen and above that of twenty years, and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expence and inconvenience have already been experienced by lads from distant stations being furnished with certificates, who were found, on examination, quite unqualified for admission: and it is with a view to prevent the recurrence of this that the above measure has been adopted.

3rd. Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper descriptive roll may be prepared for transmission to the examiners of the College of Fort William.

4th. The preference in selection, attainments being equal, will be given to those who have already been attached to, or served in Civil or Regimental Hospitals.

5th. No candidate will be allowed to present himself for examination, who cannot produce a written testimonial of his conduct and character, or afford satisfactory evidence as to who and what he is, a few individuals of decidedly bad character have, upon recent occasions, managed to obtain admittance, it is supposed, by producing false papers: the strictest care and scrutiny will therefore be exercised in examining the credentials of all future candidates, who will, in addition, require to be furnished with regular muster rolls, in order that they may be identified.

6th. All pupils must, as a condition of their appointment, reside within the College premises at all times, and never be absent from morning and evening muster without special leave.

7th. All students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

8th. No candidate will be admitted to the School, who is physically unfit for the duties of a Soldier.

The following Act, passed by the Governor General of India in Council on the 30th January 1852, is hereby promulgated for general information.

ACT NO. VI. OF 1852.

An Act for defraying the Cost of a Light-House on Pedra Branca.

Whereas it has been deemed expedient, for the safety and guidance of Ships navigating the China Seas, to build a Light-House on the Island Rock called Pedra Branca, situated at the Eastern entrance of the Straits of Singapore; And whereas certain sums of money were subscribed by private individuals for that purpose, but the same were insufficient to defray the expense of building such Light-House; And whereas the East India Company agreed to build such Light-House, and to advance certain sums of money to complete the same, on condition that the said sums of money were repaid to them by the levy of a toll on Ships and other square-rigged Vessels entering the harbour of Singapore; And whereas the said Light-House has been built by the East India Company, and it is desirable that the expense of building the same, and of maintaining a Light thereon, should be defrayed out of the monies arising from such toll; And whereas it may hereafter be deemed expedient to establish other Lights, or beacons in the Straits of Malacca or elsewhere near thereto, It is enacted as follows:

I. The Light-House on Pedra Branca aforesaid shall be called "The Horsburgh Light-House," and the said Light-House, and the appurtenances thereunto belonging or occupied for the purposes thereof, and all the fixtures, apparatus, and furniture belonging thereto, shall become the property of, and absolutely vest in the East India Company and their successors.

II. From the first day of March, 1852, every Ship, being of the burden of fifty tons and upwards, which shall arrive at, or enter the harbour or roadstead of Singapore, from any part of the world, shall pay a toll of three cents of a dollar per ton for every ton of her registered burden or tonnage; Provided always that no Ship shall pay such toll more than once in every six calendar months.

III. All Ships of War belonging to Her Britannic Majesty, or any Foreign Government or State, and all armed Ships belonging to the East India Company, shall be exempt from the payment of such toll.

IV. The management and controul of the said "Horsburgh Light-House," and of the keeper thereof, and of everything relating thereto, is hereby vested in the Governor of the Straits Settlements.

V. The said Governor may appoint any person he may think fit, to be a Collector of the tolls payable under this Act.

VI. Out of the funds raised by such tolls, an efficient Light shall be constantly kept up and exhibited during the night-time in and from the said Light-House, and the surplus monies arising from such tolls, after deducting the expense of maintaining such Light as aforesaid, shall, from time to time, be paid over to the said East India Company, in liquidation of the monies they have advanced towards the erection and completion of the said Light-House, and the apparatus and furniture thereof.

VII. The toll to be levied under this Act shall become due and payable immediately on the arrival of every Ship liable thereto within the harbour or roadstead of Singapore; and immediately on the arrival of any such Ship within the said harbour or roadstead, the Collector appointed under this Act shall demand, or cause to be demanded, from the master or other person in command of such Ship, payment of the toll of three cents of a Dollar per ton for every ton of the registered burden or tonnage of such Ship, and if the same be not paid within two days after such demand made as aforesaid, or if at any time after the arrival of such Ship as aforesaid, the said Collector shall have cause to suspect, or believe, that such Ship will immediately leave the said harbour or roadstead, without paying such toll, it shall be lawful for any Justice of the Peace, upon an affidavit to that effect being made before him on oath by such Collector (which oath the said Justice is hereby authorized to administer), to issue his Warrant under his hand, directed to any Peace Officer of Singapore aforesaid, to enter on board such Ship, and to seize and carry away any of the goods, merchandize, guns, tackle, apparel or furniture of or belonging to or on board such Ship, and to keep the same for the space of three days then next, unless the said toll shall be in the mean time paid; and in case the amount of the toll due by such Ship shall not before the expiration of such three days have been paid, then the said Collector may cause the said goods, merchandize, guns, tackle, apparel or furniture so

seized to be sold, and out of the proceeds of such sale shall pay the amount of the said toll to which such Ship shall be liable, together with the reasonable charges of the seizure, detention, and sale, rendering to the master or owner, or other person having the command of such Ship, the overplus (if any) on demand.

VIII. The Officer of Government whose duty it shall be to grant a Port-clearance for any Ship clearing out of or leaving the port of Singapore aforesaid, shall refuse to grant such Port-clearance to any Ship until the owner, agent, master or other person in command of such Ship shall produce a certificate from the Collector appointed under this Act that such Ship has paid the amount of toll to which she is liable under this Act.

IX. Notwithstanding anything in this Act contained, the said Collector appointed under this Act, may sue for and recover the amount of any tolls payable to him under this Act, by action of debt or suit in equity in any of Her Majesty's Courts in India, against the owner, or master, or other person who, at the time of default made in the payment of such toll, owned or had the command of any Ship liable thereto.

X. In order to ascertain the exact burden or tonnage of any Ship liable to pay the toll leviable under this Act, the Collector appointed under this Act may apply to any Justice of the Peace to require, and such Justice of the Peace shall thereupon summon and require, the owner, master, or other person in command of such Ship, or any person having possession of the same, to produce the register of such Ship, for the inspection of such Justice, and upon the refusal or neglect of any such owner, master, or person to produce such register, it shall be lawful for such Justice to adjudge such owner, master, or person to pay a fine not exceeding one hundred dollars, and in default of payment, to be imprisoned in Her Majesty's Gaol for any period not exceeding two calendar months.

XI. When and so soon as the monies to be advanced by the said East India Company towards the erection and completion of the said Light-House shall have been fully repaid and liquidated in manner herein provided for, it shall be competent for the Governor of the Straits Settlements, to build, or cause to be built, one or more other lights or beacons for the safety and guidance of Ships in such part or parts of the Straits of Malacca, or near thereto, as shall be deemed expedient, and the cost thereof, and of maintaining the same, and of keeping up and exhibiting a light or lights therefrom, shall be defrayed out of the surplus monies arising from the toll payable under this Act, after defraying the current expenses of maintaining the "Horsburgh Light-House" aforesaid.

XII. Nothing in this Act contained shall be construed to authorize the levy of a toll upon any Ship passing through the Straits of Singapore and not entering the said harbour or roadstead of Singapore aforesaid.

XIII. The word "Ship" throughout this Act mentioned, shall be held to mean and include a Schooner, Cutter, Brig, Brigantine, Barque, Junk, Steam-Boat, and every other Vessel, as well as a Ship; and words importing the singular number only shall include the plural number, and words importing the plural number only shall include also the singular number, and words importing the masculine gender shall extend to females, unless there be something in the subject or context repugnant to such construction.

An Act to amend the Law relating to the duties payable on Tobacco and Ganza, and the retail sale and warehousing thereof, in the Islands of Bombay and Colaba.

Whereas it is expedient to amend the law relating to the duties payable on Tobacco and Ganza, and the retail sale and warehousing of those articles in the Islands of Bombay and Colaba, It is hereby enacted as follows :

I. Chapters V. VI. VII. and VIII. of Regulation XXI. of 1827, Regulation XXXIII. of 1827 and Regulation XV. of 1828, of the Bombay Code, and Act XXIV. of 1850, are hereby repealed, but not so as to revive any other Regulation or Act thereby repealed.

II. All Tobacco and Ganza (except such small quantities thereof as are hereinafter mentioned), imported from any place into the Islands of Bombay and Colaba, shall be liable to the duty prescribed by the Acts now in force for regulating Customs, which duty is hereinafter called the customary duty. All Tobacco and Ganza (except such small quantities thereof as are hereinafter mentioned), imported from any place into the said Islands and intended for consumption in Bombay or Colaba, shall be liable to an additional duty of Rupees seven and eight annas per Indian Maund, which duty is hereinafter called the special duty.

III. The said special duty shall be paid at the option of the importer, either on importation, or after being warehoused as hereinafter mentioned, and no drawback of the said special duty shall be allowed unless the Tobacco or Ganza, on which such drawback may be claimed, has been warehoused in, and shall be re-exported from, a bonded warehouse, in which case a drawback of the whole of such special duty shall be allowed, if claimed at the time of exportation.

IV. If the said special duty is not paid on importation, the Tobacco or Ganza shall be warehoused in a bonded warehouse, and the importer

shall pay such special duty on the said Tobacco or Ganza on its removal from the warehouse for consumption.

V. The Collector and Officers of Customs shall have all the same powers and authorities for collecting and enforcing payment of the said duties, in addition to the powers and authorities specified in this Act, as they now have or shall have in respect of the duties on any other customisable articles.

VI. It shall not be lawful, without the special permission of the Collector of Customs, to bring any Tobacco or any preparation thereof, or any Ganza, into the Islands of Bombay and Colaba, otherwise than by sea, nor to land the same at any other landing place or places than such as may from time to time be prescribed by proclamation by the Bombay Government.

VII. Sections II., III., IV. and VI. of this Act shall not be applicable to small quantities of Tobacco and Ganza imported into the said Islands, not exceeding in quantity 1 pound weight of Tobacco, or half a pound weight of Ganza, provided that the same be openly imported for the personal consumption of the importer.

VIII. The port of Bombay shall be a warehousing port, within the meaning of Act XXV. of 1836, so far as regards the warehousing of Tobacco and Ganza, and the said Act shall be applicable to the warehousing of Tobacco and Ganza in the said Islands of Bombay and Colaba, and the Import duty in the said Act mentioned shall, as to Tobacco and Ganza, mean the customary and special duty leviable under this Act.

IX. It shall not be lawful to remove any Tobacco or Ganza from any place within the Islands of Bombay and Colaba to any other place, nor to carry or convey the same on any thoroughfare in the said Islands, nor to carry the same on any vessel or boat of less than forty candies' burthen in any of the creeks or waters adjacent to the said Islands, without a permit from the Collector of Customs, which permit may be in the form of Schedule A. to this Act annexed, or to the like effect. Any such permit shall be in force only between sun-rise and sun-set of the day on which it is granted. Provided always, that Tobacco and Ganza may be imported as in Sections IV. and V. of this Act is mentioned, and it shall also be lawful to remove without a permit, for personal or domestic use, small quantities of Tobacco and Ganza from the shop of a retailer licensed as hereinafter provided, or to carry Tobacco and Ganza on boats or vessels of less than forty candies' burthen proceeding direct from a regular anchorage in the harbour to any place duly appointed for landing Tobacco and Ganza.

X. The Collector of Customs shall not grant any permit for the removal of any Tobacco or Ganza from a bonded warehouse, unless the quantity to be so removed is an entire bale or package weighing in the case of Tobacco at least four Cwt., and in the case of Ganza at least half a

Cwt., but when application is made to remove a bale or package from bond for consumption in Bombay or Colaba, the Collector may permit such bale or package to be opened, and the refuse of the Tobacco and Ganza to be removed and destroyed in the presence of a Government Officer, and the special duty may be remitted on the refuse so removed and destroyed.

XI. It shall not be lawful for any person to sell or offer for sale by retail any Tobacco or Ganza within the Islands of Bombay and Colaba without a licence for that purpose under the hand and seal of the Collector of Customs, or other licensing Officer specially appointed by the Bombay Government, and the licence may be in the form of Schedule B to this Act annexed, or to the like effect, and shall be in force for a period of twelve calendar months from the date thereof, unless earlier withdrawn or cancelled by the licensing Officer, and for every such licence the Collector of Customs, or other licensing Officer, shall receive on account of Government a fee of one Rupee.

XII. Every person applying for the renewal of any licence for the retail sale of Tobacco or Ganza shall give notice of such application at least ten days before the expiration of his existing licence, and on failing to give such notice he shall, previous to the renewal of his licence, pay to the licensing Officer, on account of Government, the sum of Rupees twenty.

XIII. Any sale of Tobacco not exceeding in weight fifty-six lbs. Avoirdupois, or of Ganza not exceeding twenty-eight lbs. Avoirdupois, shall be deemed to be a retail sale within the meaning of this Act.

XIV. It shall not be lawful for any licensed retail dealer in Tobacco or Ganza to carry on the retail sale of the same, or to warehouse or deposit any store of the same except at such shop, shops, or other premises as may be specified in his licence, and the name of every retail dealer in Tobacco or Ganza, together with the number of his licence, shall be written or painted in English, Guzerati and Maharatti, and in plain and legible characters of not less than one inch in height, on a board to be affixed in a conspicuous manner in the front of the shop or premises where the retail sale of the articles aforesaid may be carried on.

XV. Every retail dealer in Tobacco or Ganza shall on or before the third day of each month make to the Collector of Customs, or other licensing Officer, a separate Return, for each shop or place of retail sale, of the quantity of Tobacco or Ganza which he had on hand at the beginning of the preceding month, and also of the balance remaining in hand at the close of such month, and he shall in like manner and at the same time, produce and give to the Collector of Customs or other licensing Officer, a written Statement showing the several purchases of Tobacco or Ganza which he shall have made du-

ring the preceding month, and the parties from whom and the dates on which such purchases were effected, and any licensed retail dealer who may refuse or neglect to produce such Return and Statement as above provided, or who may produce a false Return or Statement, shall be liable to be deprived of his licence by the said Collector of Customs or other licensing Officer, in addition to such fine as he may incur under this Act.

XVI. It shall be lawful for the Collector of Customs or other licensing Officer at his discretion to refuse to grant or renew any licence for the retail sale of Tobacco or Ganza to any party applying for the same, or on giving three months' notice, to withdraw any such licence from the holder thereof, without stating any reason for such refusal or withdrawal.

XVII. It shall be lawful for the Collector of Customs or other licensing Officer to issue a special warrant under his hand and seal, authorizing any public Officer to enter any building or place of deposit in which Tobacco or Ganza may be deposited under the provisions of this Act; or in which such Collector of Customs or other licensing Officer has been credibly informed that such Tobacco or Ganza has been and is deposited contrary to the provisions of this Act; and for such purpose such public Officer shall have power, if necessary, to break open any doors, drawers, or other place or receptacle or supposed receptacle, and to examine and weigh any Tobacco or Ganza therein found, and to seize, remove and take away from thence any Tobacco or Ganza or other articles subject to confiscation under this Act, and to detain the same until the case has been adjudicated on, as hereinafter provided.

XVIII. It shall be lawful for the Collector of Customs or other licensing Officer, or any Officer authorized by him, to enter and search, with the like power as in the last Section mentioned, any vessel, boat or vehicle suspected of containing, and to detain any person suspected of having, any contraband Tobacco or Ganza, and to seize, take away, and detain the same until the case has been adjudicated as hereinafter provided.

XIX. All Tobacco or Ganza imported into the Islands of Bombay and Colaba, or exported thence, or there warehoused, or removed from one place of deposit to another, contrary to the provisions of this Act, or found in the possession of any party in Bombay or Colaba, illegally selling or offering any portion thereof for sale, shall be liable to confiscation to Government together with every vessel in which it is contained, and every vehicle, vessel, boat, or animal employed with the consent and knowledge of the owner or his servant in conveying or containing the same; Provided always that it shall be lawful for the adjudicating Officer to mitigate the penalty of confiscation herein provided, by commuting the same to the payment of any fine not exceeding the value of

the goods liable to confiscation, and every such fine may be enforced, if necessary, by the sale of the goods liable to confiscation.

XX. Any person who shall illegally import, export, remove or sell in Bombay or Colaba, any Tobacco or Ganza, or who shall knowingly have in his or her possession, or shall conceal or smuggle any Tobacco or Ganza subject to confiscation under this Act, or who shall commit or knowingly aid in the commission of, or abet any breach of this Act, shall be liable to a fine not exceeding ten times the value of such Tobacco or Ganza, and in default of payment of such fine, such offender shall be liable to imprisonment for any term not exceeding six calendar months, unless such fine shall be sooner paid.

XXI. It shall be lawful for any Officer appointed by the Bombay Government for that purpose to declare and adjudge any Tobacco, Ganja, or other property seized, taken or detained under this Act to be forfeited and confiscated to Government.

XXII. All fines under this Act may be enforced and levied by any Magistrate of Police under Act II. of 1839.

ACT No. VII. OF 1852.

An Act for amending Act XVII. of 1840 as to penalties for breaches of the Salt Laws in the Madras Presidency.

Whereas inconvenience has been experienced in consequence of the Head Officers of District Police in the Madras Presidency being prohibited from taking cognizance of petty offences against the Salt Laws, It is enacted as follows:

I. Heads of District Police may hear and determine cases of offences against the Salt Laws, when the value of the Salt in question shall not exceed five Rupees, and may inflict punishment not exceeding ten days' imprisonment with labour; or a fine not exceeding three Rupees, commutable, if not paid, to imprisonment with labour for a period not exceeding ten days.

II. Whenever a Head Officer of District Police shall be of opinion, that the punishment which he is empowered to inflict is not adequate to the offence committed, he shall report the case to the Magistrate for his final orders, stating precisely the nature and extent of the punishment he recommends to be inflicted; and the Magistrate shall, at his discretion, issue his orders in writing to the Head Officer of Police, to inflict such punishment as the Magistrate may deem sufficient, not exceeding that declared in Act XVII. of 1840, recording his reasons, if his opinion is at variance with the opinion of the Head Officer of Police; or the said Magistrate shall order the Head Officer of Police to forward the parties and witnesses to him for further investigation.

III. If at the expiration of thirty days from the date and day of despatch of any reference from a Head Officer of District Police to a Magistrate, no answer or order of the Magistrate shall have been received by the Head Officer of Police, then the said Head Officer shall release

the offenders, and the confinement which they have so had shall be considered a sufficient punishment for the said offence, and they shall not be liable to be again tried for the same.

ACT No. VIII. OF 1852.

An Act for remunerating the Sheriffs of Calcutta, Madras, and Bombay for the execution of Mofussil Process under Act XXIII. of 1840.

For making better provision for the Sheriffs of Calcutta, Madras and Bombay, in remuneration for the execution of legal process issued by Courts out of the said towns respectively, It is enacted as follows:

I. The several Sudder Courts of the Presidency of Fort William in Bengal, and the Sudder Courts of the Madras and Bombay Presidencies respectively shall make, and from time to time amend, a table of reasonable fees, to be taken on account of the execution by the Sheriff in such Presidency of any legal process issued by any Court, Judge or Magistrate, beyond the jurisdiction of the several Supreme Courts established by Royal Charter in Calcutta, Madras and Bombay, and of the sums to be allowed for costs of advertisements, or other notifications of sales of property, according to the amount of the decrees to be satisfied by such sales, which fees and sums shall be payable by the party applying for the process before it is sent to the Sheriff for execution, and shall be deemed costs in the cause.

II. The said table of fees and sums, when made or amended as aforesaid, shall be submitted by the Sudder Court of the Lower Provinces of the Presidency of Fort William to the Governor of Bengal, and by the Sudder Court of the North Western Provinces of the said Presidency to the Lieutenant Governor of those Provinces, and by the Sudder Courts of Madras and Bombay respectively to the Governor in Council of the Presidencies in which such Courts respectively have jurisdiction, for his approval, and the said table of fees and sums shall have full force and effect, and the fees and sums therein mentioned may be lawfully demanded and taken from and after the approval thereof by the said Governor, Lieutenant Governor or Governor in Council, as the case may be.

III. Every such Court, Judge and Magistrate issuing process as aforesaid shall cause a separate account to be kept of the amount of all fees and sums so paid, and shall, from time to time, as directed by Government, cause the amount thereof to be paid into the local treasury.

IV. The Government of each of the Presidencies and Provinces aforesaid shall twice in each year account for and pay over to the Sheriff, for the time being, the amount of fees and sums so paid, after deducting all necessary expenses of receiving and keeping account thereof, and remitting the net proceeds thereof to Calcutta, Madras or Bombay, as the case may be; or, where the amount has accrued in the shrievalty of more than one Sheriff, shall apportion the sum paid accordingly between the Sheriff for the time being, and the then late Sheriff.

V. The said Governments respectively may compound with the Sheriff for a monthly payment to be made to him instead of such fees and sums, and during such composition may appropriate the said fees and sums to the purposes of Government.

VI. VII. No fee, estimated upon the amount of the sum for which any person is taken in execution, shall be payable to the Sheriffs of Calcutta, Madras or Bombay, or any of their Bailiffs, for taking the body of any person in execution on any process issued by any Court, Judge or Magistrate out of the local jurisdiction of the said Supreme Courts respectively; but instead thereof, such fees shall be payable to the Sheriff for taking the body of any person in execution of any such process as shall be settled, from time to time, by the Sudder Court as aforesaid.

VIII. If any person taken in execution on any such process shall escape out of the legal custody of the Sheriff, the Sheriff shall not be liable to an action of debt for such escape, but shall be liable only to an action upon the case for damages in consequence of such escape sustained by the person or persons at whose suit the prisoner was taken.

The 6th February 1852.*

The following Act, passed by the Governor General of India in Council on the 6th February 1852, is hereby promulgated for general information.

ACT No. X. OF 1852.

For constituting Commissioners for the Improvement of the Town of Calcutta.

Whereas Act XVI. of 1847, for constituting Commissioners for the improvement of the Town of Calcutta, has been found inconvenient and in-

effectual for the intended purposes thereof, It is enacted as follows:

I. Act XVI. of 1847 is repealed, except as to anything done, or forborne to be done, under the said Act before the passing of this Act, but not so as to revive Act XX. of 1840. Provided always that the taxes leviable under Act XVI. of 1847, on the owners or users of Carriages, Carts, and Horses, may still be assessed and imposed on such owners or users for the last quarter or part of a quarter previous to the passing of this Act; and all taxes and arrears of taxes, assessed and imposed on the owners or users of Carriages, Carts and Horses under Act XVI. of 1847, and not collected at the time this Act comes into operation, may be levied and recovered as if the said Act XVI. of 1847 were not repealed.

II. The scheme of election agreed upon by the owners and occupiers of assessed houses, buildings and lands in each division of the Town, and the rules made by the Commissioners, severally approved by the Deputy Governor of the Presidency of Fort William in Bengal, and President of the Council of India in Council, in pursuance of the said Act, are rescinded and annulled. Provided always, that all taxes and arrears of taxes assessed and imposed on the owners or users of Carriages, Carts and Horses under Act XVI. of 1847 and Section I. of this Act, and not collected at the time this Act comes into operation, may be levied and recovered as if the said Rules were not repealed.

III. For the purposes of this Act the Town of Calcutta shall be divided into two divisions; that is to say, a Northern and Southern division, by a line passing from the river Hooghly at the old Fort Ghaut along the centre of Fairlie Place, Clive Street, the street on the Northern side of Tank Square, Loll Bazaar, Bow Bazaar and Boitacannah; or such other two divisions as the Governor of the Presidency of Fort William in Bengal, from time to time, may appoint: and, whenever any such new division shall be made, the provisions of this Act, with respect to the divisions herein defined, shall be deemed to apply thenceforth to such new divisions.

IV. There shall be four Commissioners for executing the powers of this Act, who shall be styled the Commissioners for the Improvement of the Town of Calcutta, of whom two shall be appointed by the Governor of the Presidency of Fort William in Bengal, and two shall be elected as hereinafter provided, that is to say, one for each division of the said Town.

V. The Commissioners shall enter upon their office on the First day of January in each year, and shall hold their office regularly for one year, or until their successors are duly constituted; and until the first constitution of Commissioners under this Act, the Commissioners now acting in the execution of the said Act XVI. of 1847, shall exercise the powers of this Act, and shall be deemed Commissioners under this Act.

VI. Every person is entitled to one vote in the election of a Commissioner under this Act, who is the owner of a house, building or ground in either division of the said Town, and is assessed at not less than ten rupees tax in the whole for a quarter of a year, in respect of such house, building or ground, and who, on or before the 20th day of November in each year, has paid all such taxes due from him up to the last day of July, in the same year.

VII. Every person is entitled to one vote in the election of a Commissioner under this Act, who is the occupier of any house, building or ground in either division of the said Town, and who pays a monthly rent of not less than rupees seventy in respect of such house, building, or ground.

VIII. Each voter is entitled to vote in that division only, in which he is assessed to the amount which constitutes his qualification: but any person who is assessed or pays rent to the qualifying amount in each division, may be entitled to vote in both. No person shall be entitled to two votes in any one division by reason of his being both an owner and occupier to the qualifying amounts respectively in such division.

IX. All elections under this Act shall be under the management of the Sheriff of Calcutta, who shall appoint a sufficient number of Deputies to help him in presiding thereat: and every Deputy, while so acting for the Sheriff, shall have the same powers and duties as the Sheriff with respect to the division for which he is acting.

X. The elective Commissioners shall be chosen yearly, on a day between the First and Twentieth days of December, to be appointed in each year by the Sheriff of Calcutta, of which day, and also of the place of election, the Sheriff shall give notice, by advertisement in the *Calcutta Gazette*, Fifteen days at least before the day of election.

XI. The place of election for each division of the Town shall be the Town Hall of Calcutta, or such other place as the Sheriff, with the sanction of the Governor of the Presidency of Fort William in Bengal, shall, from time to time, appoint.

XII. The voting shall begin at eight of the clock in the morning, and end at five of the clock in the afternoon of the appointed day.

XIII. Every person qualified to vote in the election, and none other, is qualified to be a candidate for election as a Commissioner.

XIV. Every candidate shall, ten days at least before the day of election, give notice thereof in writing to the Sheriff, naming the division for which he is a candidate, and shall at the same time produce to, and leave with, the Sheriff a certificate from the Secretary, to the Commissioners that he is qualified to be a candidate, which certificate the Secretary shall be bound to give without fee or charge, on personal application, to any person duly qualified.

XV. All expenses of the election of Commissioners, including the expense of advertising the time and place of election, shall be defrayed by the candidates; and every candidate shall, at the time when he produces to the Sheriff his certificate of qualification, deposit with the Sheriff the sum of two hundred rupees toward the expenses of the election, and in default thereof shall not be qualified to be elected.

XVI. If the whole amount so deposited shall not be spent by the Sheriff in such election, the residue shall be returned to the candidates in equal proportions; and if the whole amount so deposited is not enough to defray the expense of such election, the Sheriff shall be entitled to receive from each candidate his proportionate share of the surplus expense, and in default of payment may sue for, and recover the same, as money spent on behalf of such candidate.

XVII. The Commissioners shall cause to be prepared, in each year, correct alphabetical lists of the owners qualified to vote in each division of the Town, and also an alphabetical list of the occupiers qualified to vote in each of the said divisions; who shall, on or before the 1st day of November in each year, apply to the Commissioners to have their names entered in such lists, and the said lists shall be open for inspection at the office of the said Commissioners, on or before the First day of December in each year, during all reasonable hours of the day, until the day of election, when the said lists, or copies thereof, shall be taken to the place of election for the use of the Sheriff and his Deputies.

XVIII. The Secretary to the Commissioners, on the written application of any person qualified to vote as aforesaid, signed by himself, specifying the division, street and number, or other description of every house, or building, or the land in respect of which the claim is made, and delivered to the Secretary on some day between the 1st and 30th day of November, both inclusive,—with, where the applicant is an owner, the receipted assessment bills, shewing that the applicant has paid the taxes required by this Act to qualify him to vote, or with, where the applicant is an occupier, the receipted rent bills, shewing that such occupier has paid the rent required by this Act to qualify him to vote,—shall give to such person a voting ticket, according to his qualification. The voting tickets shall be numbered and signed by the Secretary to the Commissioners, and shall be in one of the forms contained in the first Schedule annexed to this Act, or in such other form as shall be, from time to time, adopted by the Commissioners, with the approval of the Governor of the Presidency of Fort William in Bengal. The Secretary to the Commissioners shall keep a Register of such voting tickets, which shall specify the number of each voting ticket, the name of the voter, and the premises in respect of which such voting ticket is given, and the said Secretary, on the day of election, shall take the said Register to the place of election, for the use of the Sheriff and his deputies.

XIX. The voting ticket shall be conclusive evidence that the person named therein is entitled to vote at the next election of a Commissioner in the division for which the ticket is given, according to the tenor thereof.

XX. At the time and place appointed for the election, the Sheriff or his Deputies shall attend with two closed boxes, with openings in each box for the reception of voting tickets, and distinguished from each other, by having marked or painted legibly, in English and Bengalee characters, the word "Northern" on one box, and the word "Southern" on the other.

XXI. Every voter, having obtained his voting ticket in each division in which he is qualified to vote, and having written thereon the name of the candidate for whom he wishes to vote, and having signed the same, shall personally attend at the place of election, and shall deliver his voting ticket to the Sheriff, or one of his Deputies presiding at the election for that division, who, on being satisfied of the identity of the person tendering the voting ticket with the person whose signature it bears, shall deposit such voting ticket in the box of the division.

XXII. The Secretary, Assessors, Collectors and Collecting Sircars of the Commissioners, and, if required by any candidate, an agent appointed

by writing under his hand on his behalf, shall attend at the place of election during the continuance thereof, for the purpose of assisting in identifying the persons who shall tender voting tickets.

XXIII. The decision of the Sheriff, or his Deputy, admitting or rejecting any disputed vote tendered at any election, shall be conclusive as to the reception of the vote.

XXIV. At the close of the poll for any division, the Sheriff, or his Deputies, in the presence of the candidates, or such of them as choose to be present, or of scrutineers appointed in writing under their several hands, shall ascertain the number of votes given for each candidate in each division; and the Sheriff shall thereupon publicly declare the name of the candidate in each division for whom the greatest number of votes has been given in such division, and shall declare such candidate to be duly elected a Commissioner for the improvement of the Town of Calcutta.

XXV. If two or more candidates at the head of the poll in any one division of the Town shall have the same number of votes, the Governor of the Presidency of Fort William in Bengal shall appoint one of the candidates, having such equal number of votes, to be one of the elected Commissioners for the improvement of the Town of Calcutta.

XXVI. The result of every election shall be certified by the Sheriff to the Governor of the Presidency of Fort William in Bengal, who will cause notice thereof to be given in the *Calcutta Gazette*.

XXVII. If any vacancy, from any cause whatever, happens before the month of December in any year among the Commissioners, the Governor of the Presidency of Fort William in Bengal shall appoint a person qualified to be elected to fill such vacancy, and the Commissioner appointed to fill such vacancy shall be a Commissioner as if he had been elected at the then last general election of Commissioners.

XXVIII. The 158th Section of the Act of Parliament passed in the 33rd year of the reign of King George the Third, and numbered Chapter 52, is hereby repealed, and the powers and duties which by the said Act were conferred and imposed on the Justices of the Peace within, or for the Presidency of Fort William in Bengal, in regard to the collection, levying, and disbursement of the taxes thereby authorized to be assessed by them on the owners or occupiers of houses, buildings, and grounds, shall be exercised and performed by the said Commissioners, instead of the said Justices of the Peace; and the powers and duties by Act XXII. of 1847 or any other Act conferred on, or belonging to the Commissioners constituted under the said Act XVI. of 1847, and their Officers, shall be transferred to, and belong to the Commissioners constituted under this Act, and their Officers respectively.

XXIX. The Justices of the Peace within and for the said Town of Calcutta shall make a quarterly assessment at the rate of six and one quarter per cent., or one anna in the Rupee, on the owners of houses, buildings, and grounds within the said Town, according to the gross monthly rental thereof, or on the gross monthly rental at which the same might, in the estimation of the said Justices, reasonably be expected to let.

XXX. Of the two Commissioners yearly appointed by the Governor of the Presidency of Fort William in Bengal, one shall be President of the Commissioners. In the absence of the President, such other Commissioner shall act as Chairman of the meetings of the Commissioners as shall be chosen by those present. On all questions on which the Commissioners present are equally divided in opinion, the President shall have a second or casting vote. No meeting of the Commissioners shall be held without twenty-four hours' notice being given to all the Commissioners, and two Commissioners shall be necessary to constitute a meeting.

XXXI. The Commissioners shall severally receive such monthly salaries, not exceeding two hundred and fifty rupees each, to be paid out of the taxes levied under the said Act of Parliament, and Act XVI. of 1847, and this Act, as the Governor of the Presidency of Fort William in Bengal, with the approval of the Governor General of India in Council shall, from time to time, appoint.

XXXII. The Commissioners shall appoint a Secretary, subject to the approval of the Governor of the Presidency of Fort William in Bengal, and shall also appoint a sufficient number of Assessors, Collectors, Surveyors, Inspectors, Appraisers, Bailiffs, and such other Officers as they may deem necessary for assessing, collecting or levying the taxes imposed on the owners or occupiers of houses, buildings, and grounds under the authority of the said Act of Parliament, and of this Act, and also the taxes and penalties herein mentioned, and may appoint the same persons to act both as Assessors and Collectors, and may prescribe such rules, and take such security for the due execution of the duties of such Secretary and Officers as they may deem expedient; and the Secretary and Officers of the Commissioners shall receive such salaries, to be paid out of the said taxes, as the Commissioners from time to time may appoint, subject to the approval of the said Governor. The Secretary and every other Officer shall be removable at the pleasure of the Commissioners, subject, in the case of the Secretary, to the approval of the said Governor.

XXXIII. All rates and taxes assessed on the owners of houses, buildings, and grounds, and penalties imposed under the authority or colour of the said Act of Parliament, and Act XVI. of 1847, before this Act comes into operation, may be demanded, and if not duly paid, may be levied and recovered by the Commissioners acting under the authority of this Act, in the same manner, and by the same forms, or by forms to the like effect, as if they had been imposed under the authority of this Act.

XXXIV. The owners of houses, buildings, and grounds, within the said town, shall pay such sums of money as shall be assessed upon them by the said Justices according to the said rate of six and a quarter per cent., or one anna in the rupee.

XXXV. Where there is land wholly or partly covered with houses or buildings, which do not belong, or which belong only in remainder or reversion, to the owner of the land, and rent is covenanted to be paid to the owner of the land, wholly or partly irrespective of the value of the said houses, or buildings, the said Justices may assess the owner of the land separately, in respect of the land, and the owners of the houses, and buildings, according to their value, after deduction

of the value of the land, in respect whereof the owner thereof is separately assessed.

XXXVI. The said Justices, in their discretion, may omit from their valuation and assessment any tenement of very small value, unless where there are many such belonging to the same owner, which can be conveniently valued and assessed together.

XXXVII. Where any house, building or ground, within the said town, has been vacant for sixty consecutive days in any quarter of a year, the rates for that quarter shall be remitted, provided that the owner of such house, building, or land, shall have given notice in writing of the vacancy thereof, to the Secretary of the Commissioners, within seven days next after the day on which it becomes vacant; and if such notice of vacancy be not given within the said seven days, the said rates shall be remitted from the day on which the notice may be delivered to the Secretary.

XXXVIII. The first assessment to be made under this Act shall be made on or after the Twelfth day of February 1852, for the months of February, March and April 1852; and, when made, shall be taken to supersede and annul any previous assessment made by the Justices for the same period or any portion thereof; and every following assessment shall in like manner be made prospectively at the commencement of the quarter of a year in which it is made.

XXXIX. The assessment of the taxes specified in this Act, shall be made by the said Justices or any of them, but shall in every case require to be confirmed at a subsequent Meeting of the said Justices, and the said Justices shall cause such assessments, when made and confirmed, to be entered in books to be kept in their office, and the entries for such assessments in the said books, authenticated by the signatures of the Justices or any two of them, shall be conclusive evidence of the several assessments therein specified.

XL. The Justices shall give at least fourteen days' notice, by advertisement in the *Calcutta Gazette*, of the day and hour when they will meet in their office, for the purpose of revising and confirming the said assessment; and every person who deems himself aggrieved in any respect by the said assessment, and is desirous of appealing against the same, must attend such meeting; and the Justices may adjourn such meeting, if necessary, from day to day; and, after hearing and determining all objections to the assessment, may make such amendments therein as to them may appear just, and finally confirm the same as so amended.

XLI. The books containing the proposed assessment shall be in the office of the Justices during the said period of fourteen days, or more, open at all reasonable times to the inspection of all persons assessed therein.

XLII. The taxes specified in this Act shall be due and payable from and after the end of the quarter of a year, or other period for which they are imposed.

XLIII. When the taxes specified in this Act shall be due and payable, or as soon after as convenient, the said Commissioners shall send, or cause to be sent, to the persons severally liable to pay any of such taxes, a statement or bill in the form (A) contained in the second Schedule annexed to this Act, or to the like effect, of the sums

due from such persons respectively in respect of the said taxes.

XLIV. When any person shall be in arrear of the payment of the said taxes specified in this Act, the said Commissioners, or any one of them, or their Officer duly authorized by them, may issue, or cause to be issued and served upon such person, a Notice of Demand in the form (B) contained in the second Schedule annexed to this Act, or to the like effect: and if he shall not, within five days from the service of such Notice of Demand, pay the arrear due from him, according to the tenor of such Notice of Demand, the said Commissioners, or any one of them, or their Officer duly authorized by them, may issue and serve, or cause to be issued and served, upon such person a summons to pay in the form (C) contained in the second Schedule annexed to this Act, or to the like effect, requiring such person to appear before the said Commissioners, or any one or more of them, on a day and at an hour and place to be named in such summons.

XLV. On the appearance of the party summoned, the said Commissioners, or any one or more of them, may make such further enquiry into the case as to them or him seems just, and may make such order for the payment of the whole or any part of the demand, as to them or him seems just; and, in case of the non-appearance of the party summoned, the said Commissioners, or any one or more of them, on proof of service of the said summons, and on making such further enquiry into the case as to them or him seems just, may decide the claim, in like manner as if the said party were present, and may make such order for the payment of the demand, together with such costs as to them or him may seem reasonable.

XLVI. In order that the Justices and Commissioners may be better informed of the value of any house, building, or ground, or in any other matter relating to their duty under this Act, and the execution thereof, the Justices or Commissioners, or any one of them, or their officer duly authorized by them, may issue a summons, in the form (D) contained in the second Schedule annexed to this Act, to any person whom they are desirous of examining for that purpose; and any one or more of the said Justices or Commissioners may examine such person so summoned, concerning the value of such house, building, or ground, or other matter relating to the assessment; and such examination shall be taken down in writing, in such manner as the Justices or Commissioners may order: and in case the answers of such person so examined shall appear to the said Justices or Commissioners to be evasive or untrue; or in case the party summoned shall refuse to answer any lawful question of the said Justices or Commissioners, or any one of them, or shall be proved to have refused to receive, or to have wilfully destroyed, defaced, or unlawfully detained any Bill, Summons, or Notice of Demand served upon him, with intent to evade being lawfully rated to the full amount of any of the said taxes due from him, or with intent to avoid or delay payment thereof; or shall be proved knowingly, or through gross negligence, to have given any false information, either verbally or in writing, to the said Justices or Commissioners, or any of them, or any of their Assessors or Officers, whereby they or any Assessor or person employed by them shall be misled in making any assessment; or in case the party summoned shall refuse, or without lawful excuse neglect to

appear before the said Justices or Commissioners, in pursuance of such summons; such person shall, for any of the above-mentioned offences, be liable to such penalty, not exceeding one hundred rupees, as shall be set on him by the said Justices or Commissioners, or any one of them, and such penalty shall be recovered under a warrant to be issued for that purpose by the said Justices or Commissioners, or any one of them, by distress and sale of any Goods and Chattels within the Town belonging to the person liable to pay or make good the said penalty: and every such warrant of distress may be in the form (G.) contained in the second Schedule annexed to this Act or to the like effect.

XLVII. All arrears of taxes and penalties due under the said Statute 33 George III., Act XVI. of 1847, and this Act, and the costs and charges of recovering the same, may be recovered at any time after the day on which the person liable to pay such arrears has been summoned to appear before the Commissioners, or any one or more of them, as provided by Section XLIV. of this Act, under a warrant to be issued for that purpose, under the hand and seal of one of the said Commissioners, by distress and sale of any goods and chattels within the Town of Calcutta, belonging to the person liable to make good or pay the same, or being at any time within the house or building, or upon the ground in respect of which any such assessment is made: and every such Warrant of Distress may be in the form (E) contained in the second Schedule annexed to this Act, or to the like effect.

XLVIII. The Bailiff shall make an inventory of all goods and chattels seized under any warrant, and shall give a notice in writing in the form (F) contained in the second Schedule annexed to this Act, or to the like effect, to the person in possession thereof at the time of the seizure, that the said goods and chattels will be appraised and sold in manner therein mentioned.

XLIX. If the warrant is not in the mean time discharged or suspended by one or more of the said Commissioners, the goods and chattels seized shall be appraised and sold, and the proceeds thereof shall be applied in discharge of the arrears, or penalty, and costs, and the surplus, if any, shall be returned, on demand, to the person in possession of the goods and chattels at the time of the seizure; and the fees upon every such proceeding shall be such as are mentioned and set forth in the third Schedule annexed to this Act.

L. Instead of proceeding by distress and sale, or in case of failure to realize by distress the whole or any part of the rates, taxes, or penalties under the said Statute 33 Geo. III., Act XVI. of 1847, or this Act, the Commissioners, or any one or more of them, if they think fit, may authorize any Collector or other person to sue the person liable to pay such rates, taxes, or penalties for any arrears of such rates, taxes, or penalties, in the Calcutta Court of Small Causes; and all such suits may be prosecuted by such Collector or other person in the name of the Commissioners; and the costs, if any, incurred in any such suit, which are not recovered in the suit, may be defrayed out of the taxes levied under this Act.

LI. When any Bill, Notice of Demand, Summons, or other proceeding of any kind whatsoever with respect to any Taxes under the said Statute, Act XVI. of 1847, or this Act, is to be issued to

the owner of any premises, if his name be not certainly known, it shall be sufficient to address such proceeding to him by the description of the "Owner" of the premises (naming or describing them) in respect of which such proceeding is issued, without further name or description of such owner, and such proceeding may be duly served as hereinafter mentioned; and every Bill, Notice, Summons, or Notice of Demand, may be served personally upon the person to whom the same is addressed, or left with his door-keeper, or some inmate of his place of abode; and when any person shall, by keeping his place of abode or business closed, or by absconding, or by violence or threats, prevent any Officer or Servant of the said Commissioners from serving any Bill, Notice, Summons, or Notice of Demand, as herein directed, such Bill, Notice, Schedule, Summons, or Notice of Demand, shall be duly served, by fixing the same conspicuously on some part of the outer wall, gate, or door of the house or place of business, or of the enclosure in which it stands. In case the place of abode of the Owner be not within the limits of the said Town, it shall be sufficient for the Commissioners to transmit any Bill, Notice, Summons, or Notice of Demand, directed to him by name through the Post, or to serve the same upon the occupier of the premises assessed, or upon the Agent (if any) of such owner.

LII. No distress levied under the authority of this Act shall be unlawful, nor shall any party making the same be deemed a trespasser on account of any defect or want of form in the Notice, Bill, Summons, Notice of Demand, Warrant of Distress, Inventory, or other proceeding relating thereto, nor shall he be a trespasser from the beginning on account of any irregularity afterwards committed by him.

LIII. The said Commissioners shall, from time to time, subject to the approval of the Governor of the Presidency of Fort William in Bengal, make rules for regulating their proceedings under this Act, and for the regulation of the time and manner of demanding and collecting the taxes specified in this Act, and for altering any of the forms set forth in the Schedules hereunto annexed, and the said Justices shall, from time to time, subject to the like approval, make Rules for regulating their proceedings under this Act, and for the regulation of the time and manner of assessing the rates specified in this Act.

LIV. The goods and chattels of the owner of any house, building, or ground rated under the said Statute 33 George III., Chapter LII., Section 158, Act XVI. of 1847, or this Act, shall be liable to be distrained anywhere (except goods and chattels concealed as hereinafter mentioned), for deficiency in the payment of rates; and it shall not be necessary in any assessment, rate or tax, or warrant of distress under the said Statute, Act XVI. of 1847, or this Act, to specify the names of the owners of houses, buildings, or grounds; but it shall be sufficient if the house, building, or ground, in respect of which the tax is assessed, be identified, and in the case of houses numbered in any street, that the name of the street and the number of the house be specified.

LV. All goods and chattels, which shall be found upon any premises rated, shall be liable to be distrained for any arrears of rates or taxes assessed in respect thereof; and, if the said goods and chattels belong to the occupier of such premises, such occupier may deduct the amount of the levy

made upon his goods and chattels, or of any payment made by him in order to prevent such levy, from the following payments of his rent. If they belong to any person other than the occupier of the premises, or if no further rent is payable by such occupier, he may in such case recover the amount so paid or levied, by suit in the Calcutta Court of Small Causes, from the owner of the premises, as for money paid on his behalf.

LVI. Every person shall be entitled to have from the Secretary to the Commissioners, on application at their Office, and on payment of a fee of four annas, a certificate, specifying the last quarter in respect of which the taxes on account of any house, building, or ground are paid.

LVII. When there is reason to believe that goods and chattels, liable to distress under the said Statute, Act XVI. of 1847, or this Act, are concealed in any zenana, the officer charged with the execution of the warrant shall make a special report to the Commissioner granting the same, who shall thereupon follow, as closely as may be, the rules for the seizure of goods and chattels in like cases adopted by Her Majesty's Supreme Court of Judicature.

LVIII. Every person who wilfully obstructs or molests the said Commissioners, or any one of them, or their Secretary, or any of their Officers or servants in the performance of their respective duties, under the said Act of Parliament, Act XVI. of 1847, or this Act, shall be liable, on summary conviction before a Justice of the Peace, on his own confession, or the oath of one or more witnesses, to forfeit and pay a penalty not exceeding fifty rupees.

LIX. The Commissioners or any one of them may sue and be sued at Law and Equity in the name of their Secretary for the time being, and no action or suit to be brought or commenced by, or against such, Secretary in manner aforesaid, shall abate or be discontinued by the death, resignation, or removal of such Secretary; and no execution shall issue or be had in any such action or suit against such Secretary until six months' notice shall have elapsed after final judgment in such action or suit shall have been obtained, and every such Secretary, in whose name or by or against whom any such action or suit shall be brought, commenced, or sued, shall be fully reimbursed and paid all such costs, charges, damages, and expenses as by the event or in consequence of any action, suit, or proceeding he shall pay, sustain, or be put unto or become chargeable with or liable to by reason of his being plaintiff or defendant as aforesaid, or of his name being used as aforesaid, by and out of the funds under the control of the Commissioners; and if any person against whom the Commissioners shall have any claim or demand, take the benefit of, or become subject as an insolvent to the operation of any Act for the Relief of Insolvent Debtors, the Secretary of the Commissioners in all proceedings in the insolvency may represent the Commissioners and act in their behalf in all respects as if such claim or demand had been the claim or demand of such Secretary, and not of the Commissioners.

LX. The Secretary of the Commissioners being the plaintiff, prosecutor, or defendant or otherwise acting in any action, suit or proceeding as aforesaid, shall be competent to be a witness therein, in the same manner as he might have been if his name had not been made use of as the

plaintiff, defendant, or otherwise in any such action, suit, or proceeding.

LXI. No writ or process shall be issued out against or served upon any Commissioner, of any Secretary, Surveyor, or other Officer, or person whomsoever acting under the direction of the Commissioners, for anything done or intended to be done under the powers of this Act, until the expiration of one month next after notice in writing shall have been delivered to him or left at his Office or place of abode, explicitly stating the cause of action, and the name and place of abode of the intended plaintiff, and of his Attorney or Agent in the cause; and upon the trial of any such action, the plaintiff shall not be permitted to go into evidence of any cause of action except such as is stated in the notice so delivered, and unless such notice be proved, the Court shall find for the defendant; and every such action shall be brought or commenced within three calendar months next after the accrual of the cause of action, and not afterwards; and if any party shall have committed any irregularity, trespass, or other wrongful proceedings in the execution of this Act or by virtue of any power or authority hereby given, and if before action brought in respect thereof, such party shall make tender of sufficient amends to the party injured, such last-mentioned party shall not recover in any such action when brought, and if no such tender shall have been made, it shall be lawful for the defendant in such action, by leave of the Court where such action shall be pending, at any time before issue joined, to pay into Court such sum of money as he shall think fit, and thereupon such proceedings shall be had as in other cases, where defendants are allowed to pay money into Court.

LXII. No matter or thing done, or contract entered into by the Commissioners, or any one of them, or by any Secretary, Surveyor, or other Officer or person whomsoever, acting under the direction of the Commissioners, shall, if the matter or thing were done, or the contract were entered into *bona fide*, for the purpose of executing this Act, subject them or any of them personally to any action, liability, claim or demand whatsoever; and any expense incurred by any such Commissioner, Secretary, Surveyor, or other Officer or person acting as last aforesaid, shall be borne and repaid out of the funds under the control of the Commissioners.

LXIII. In any such action as aforesaid the defendant may plead the general issue, and give this Act, and any special matter in evidence on the trial.

LXIV. If in any such action judgment be given for the defendant, or if the plaintiff be nonsuited or discontinue the said action, the defendant shall be entitled to his costs as between attorney and client, and shall have such remedy for recovery thereof as any defendant has for his costs in any other case by law.

LXV. The whole proceeds of the said taxes, after paying all salaries, establishments, and incidental expenses of the said Commissioners, shall, with such moneys as the Governor of the Presidency of Fort William in Bengal, with the sanction of the Governor General of India in Council, may direct to be paid to the said Commissioners, be applied by them to the following purposes, that is to say,—

1stly,—Cleansing, repairing, lighting and watering the roads and streets.

2ndly,—Constructing new drains and sewers, and cleansing and repairing or filling up and abolishing old drains and sewers.

3rdly,—Filling up stagnant pools of water, holes in the earth, and all receptacles for filth and rubbish, and removing obstructions in or on the roads and to the free circulation of air.

4thly,—Formation of tanks and aqueducts for the conveyance of water to all parts of the Town.

5thly,—Opening of streets and squares in crowded parts of the Town.

6thly,—Improving and embellishing the said Town generally.

LXVI. In construing this Act all words used in the singular number shall be held to include several persons and things, and words in the plural shall be held to include the singular number, and all words importing the masculine gender shall extend and be applied to females as well as males, unless there is something in the context inconsistent with such construction.

FRED. JAS. HALLIDAY,
Secy. to the Govt. of India.

Fort William, Home Department, Legislative,
the 30th January, 1852.

The following Draft of a proposed Act was read in Council for the first time on the 30th of January 1852.

ACT No. — of 1852.

An Act to amend the Law relating to the duties payable on Tobacco and Ganza, and the retail sale and warehousing thereof, in the Islands of Bombay and Colaba.

Whereas it is expedient to amend the law relating to the duties payable on Tobacco and Ganza, and the retail sale and warehousing of those articles in the Islands of Bombay and Colaba, It is hereby enacted as follows :

I. Chapters V. VI. VII. and VIII. of Regulation XXI. of 1827, Regulation XXXIII. of 1827 and Regulation XV. of 1828, of the Bombay Code, and Act XXIV. of 1850, are hereby repealed, but not so as to revive any other Regulation or Act thereby repealed.

II. All Tobacco and Ganza (except such small quantities thereof as are hereinafter mentioned), imported from any place into the Islands of Bombay and Colaba, shall be liable to the duty prescribed by the Acts now in force for regulating Customs, which duty is hereinafter called the customary duty. All Tobacco and Ganza (except such small quantities thereof as are hereinafter mentioned), imported from any place into the said Islands and intended for consumption in Bombay or Colaba, shall be liable to an additional duty of Rupees seven and eight annas per Indian Maund, which duty is hereinafter called the special duty.

III. The said special duty shall be paid at the option of the importer, either on importation, or after being warehoused as hereinafter mentioned, and no drawback of the said special duty shall be allowed unless the Tobacco or Ganza, on which such drawback may be claimed, has been warehoused in, and shall be re-exported from, a bonded warehouse, in which case a drawback of the whole of such special duty shall be allowed, if claimed at the time of exportation.

IV. If the said special duty is not paid on importation, the Tobacco or Ganza shall be warehoused in a bonded warehouse, and the importer shall pay such special duty on the said Tobacco or Ganza on its removal from the warehouse for consumption.

V. The Collector and Officers of Customs shall have all the same powers and authorities for collecting and enforcing payment of the said duties, in addition to the powers and authorities specified in this Act, as they now have or shall have in respect of the duties on any other customable articles.

VI. It shall not be lawful, without the special permission of the Collector of Customs, to bring any Tobacco or any preparation thereof, or any Ganza, into the Islands of Bombay and Colaba, otherwise than by sea, nor to land the same at any other landing place or places than such as may from time to time be prescribed by proclamation by the Bombay Government.

VII. Sections II., III., IV. and VI. of this Act shall not be applicable to small quantities of Tobacco and Ganza imported into the said Islands, not exceeding in quantity 1 pound weight of Tobacco, or half a pound weight of Ganza, provided that the same be openly imported for the personal consumption of the importer.

VIII. The port of Bombay shall be a warehousing port, within the meaning of Act XXV. of 1836, so far as regards the warehousing of Tobacco and Ganza, and the said Act shall be applicable to the warehousing of Tobacco and Ganza in the said Islands of Bombay and Colaba, and the Import duty in the said Act mentioned shall, as to Tobacco and Ganza, mean the customary and special duty leviable under this Act.

IX. It shall not be lawful to remove any Tobacco or Ganza from any place within the Islands of Bombay and Colaba to any other place, nor to carry or convey the same on any thoroughfare in the said Islands, nor to carry the same on any vessel or boat of less than forty candies' burthen in any of the creeks or waters adjacent to the said Islands, without a permit from the Collector of Customs, which permit may be in the form of Schedule A. to this Act annexed, or to the like effect. Any such permit shall be in force only between sun-rise and sun-set of the day on which it is granted. Provided always, that Tobacco

and Ganza may be imported as in Sections IV. and V. of this Act is mentioned, and it shall also be lawful to remove without a permit, for personal or domestic use, small quantities of Tobacco and Ganza from the shop of a retailer licensed as hereinafter provided, or to carry Tobacco and Ganza on boats or vessels of less than forty candies' burthen proceeding direct from a regular anchorage in the harbour to any place duly appointed for landing Tobacco and Ganza.

X. The Collector of Customs shall not grant any permit for the removal of any Tobacco or Ganza from a bonded warehouse, unless the quantity to be so removed is an entire bale or package weighing in the case of Tobacco at least four Cwt., and in the case of Ganza at least half a Cwt., but when application is made to remove a bale or package from bond for consumption in Bombay or Colaba, the Collector may permit such bale or package to be opened, and the refuse of the Tobacco and Ganza to be removed and destroyed in the presence of a Government Officer, and the special duty may be remitted on the refuse so removed and destroyed.

XI. It shall not be lawful for any person to sell or offer for sale by retail any Tobacco or Ganza within the Islands of Bombay and Colaba without a licence for that purpose under the hand and seal of the Collector of Customs, or other licensing Officer specially appointed by the Bombay Government, and the licence may be in the form of Schedule B to this Act annexed, or to the like effect, and shall be in force for a period of twelve calendar months from the date thereof, unless earlier withdrawn or cancelled by the licensing Officer, and for every such licence the Collector of Customs, or other licensing Officer, shall receive on account of Government a fee of one Rupee.

XII. Every person applying for the renewal of any licence for the retail sale of Tobacco or Ganza shall give notice of such application at least ten days before the expiration of his existing licence, and on failing to give such notice he shall, previous to the renewal of his licence, pay to the licensing Officer, on account of Government, the sum of Rupees twenty.

XIII. Any sale of Tobacco not exceeding in weight fifty-six lbs. Avoirdupois, or of Ganza not exceeding twenty-eight lbs. Avoirdupois, shall be deemed to be a retail sale within the meaning of this Act.

XIV. It shall not be lawful for any licensed retail dealer in Tobacco or Ganza to carry on the retail sale of the same, or to warehouse or deposit any store of the same except at such shop, shops, or other premises as may be specified in his licence, and the name of every retail dealer in Tobacco or Ganza, together with the number of his licence, shall be written or painted in English, Guzerati and Maharatti, and in plain and legible characters of not less than one inch in height, on a board to be affixed in a conspicuous manner in the front of the shop or premises where the retail sale of the articles aforesaid may be carried on.

XV. Every retail dealer in Tobacco or Ganza shall on or before the third day of each month make to the Collector of Customs, or other licensing Officer, a separate Return, for each shop or place of retail sale, of the quantity of Tobacco or Ganza which he had on hand at the beginning of the preceding month, and also of the balance remaining in hand at the close of such month,

and he shall in like manner and at the same time, produce and give to the Collector of Customs or other licensing Officer, a written Statement showing the several purchases of Tobacco or Ganza which he shall have made during the preceding month, and the parties from whom and the dates on which such purchases were effected, and any licensed retail dealer who may refuse or neglect to produce such Return and Statement as above provided, or who may produce a false Return or Statement, shall be liable to be deprived of his licence by the said Collector of Customs or other licensing Officer, in addition to such fine as he may incur under this Act.

XVI. The following Draft of a proposed Act was read in Council for the first time on the 6th February 1852.

ACT No. — OF 1852.

An Act to amend the Law regarding the taking of Mochulkas or Penal Recognizances in the Presidencies of Madras and Bombay.

I. Whereas it is expedient to amend the law relating to the taking of Mochulkas or Penal Recognizances in the Presidencies of Madras and Bombay, It is hereby enacted as follows: Section V. Regulation IV. of 1827, of the Madras Code, is repealed.

II. In the territories subject to the Presidencies of Madras and Bombay, it shall be lawful for the Magistrates to take Mochulkas or Penal Recognizances in the form annexed to this Act, as well from British subjects as from other persons, in all cases wherein it may appear just and necessary to require the same for the maintenance of the peace in their respective jurisdictions, although the party to be bound in such recognizances may not have been convicted of any specific offence; provided that the amount of the recognizance in all such cases shall be proportionate to the condition in life of the said party, and to the circumstances of the case.

III. In cases of an aggravated nature, wherein it may appear necessary to require security for keeping the peace in addition to the recognizance of the party, it shall be lawful for such Magistrates to direct the same, and to fix a reasonable amount for the security bond, to be executed in the form annexed to this Act by the surety or sureties.

IV. Whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace, with or without additional security, need not exceed one year, it

shall be lawful for him, without reference to superior authority, to give directions accordingly, and in default of such recognizance or additional security, to commit the party to prison in the Civil Jail until he shall do what has been required of him.

V. Whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace, with or without additional security, ought to exceed the period of one year, the Magistrate shall record his opinion to that effect, with an order specifying the amount of recognizance and security, as well as the number of sureties which should in his judgment be required, and the period for which the recognizance and security should be required, which however shall in no case exceed three years. If the party shall not furnish the recognizance and security so required, the proceedings shall be laid before the Sessions Judge, who, after examining them and calling for any further information which he may think necessary, shall pass orders on the case, confirming, modifying, or annulling the orders of the Magistrate; and if the orders so passed by the Sessions Judge confirm to any extent the requisition for recognizance or securities, the Sessions Judge shall direct the Magistrate to commit the party to prison in the Civil Jail until he shall do what has been required of him.

VI. Provided always, that no party shall be kept in prison under the foregoing provisions of this Act for a longer period than that for which the recognizance and securities have been required from him.

VII. The Magistrate may at his discretion, discharge recognizances and securities for keeping the peace taken by himself, and may order the release of persons confined under his own order for default in entering into such recognizances, or giving such securities.

VIII. Sureties for the peace shall at all times be discharged from further responsibility on delivering up to the proper Magistrate or Police Officer the persons for whom they have become responsible.

IX. Whenever it may be proved before the Magistrate that any such recognizance has been forfeited, he shall proceed to enforce the penalty of such recognizance in the mode prescribed for the satisfaction of decrees of the Civil Court.

X. Whenever it may be proved before the Magistrate that any such recognizance has been forfeited, if a security bond shall have been taken, and the Magistrate shall think that proceedings should be had upon such bond, he shall give notice to the surety or sureties to pay the penalty, or to show cause why it should not be paid, and if no sufficient cause shall be shown, the Magistrate shall proceed to recover the penalty from such surety or sureties by the attachment and sale of any of his or their property, in the mode prescribed for the attachment and sale of property in satisfaction of decrees of the Civil Court, and if the penalty be not paid, and cannot be recovered by such attachment and sale, such surety or sureties shall be liable to confinement by order of the Magistrate, in the Civil Jail of the station, during a period not exceeding six months.

XI. All sentences and orders passed under this Act shall be appealable, subject to the general provisions which regulate appeals.

XII. In the Territories subject to the said Presidencies, all Mochulkas and Security Bonds which by force of any Act or Regulation may be taken by Criminal Courts of the East India Com-

pany, or by Magistrates, for keeping the peace or for good behaviour, may be enforced in the manner prescribed by Sections IX. and X. of this Act.

XIII. Nothing in this Act contained shall be construed so as to repeal or otherwise affect the provisions of Sections XXIV. XXV. and XXVI. of Regulation XII. of 1827, of the Bombay Code, with respect to the recognizances or securities which may be taken for securing the attendance of witnesses and of the offenders therein mentioned.

NOTIFICATION.—An examination will be held early in April 1852, in the College of Fort William, for the purpose of filling up existing vacancies in the Military Class of the Medical College. All candidates will be expected to possess a knowledge of the Hindustani language, adequate to enable them to read and write it in the Persian or Devanagri character.

2nd. All Interpreters of Regiments and Battalions will be requested, through the Military Departments, not to grant certificates of qualification to any candidate under the age of fifteen and above that of twenty years, and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expence and inconvenience have already been experienced by lads from distant stations being furnished with certificates, who were found, on examination, quite unqualified for admission: and it is with a view to prevent the recurrence of this that the above measure has been adopted.

3rd. Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper descriptive roll may be prepared for transmission to the examiners of the College of Fort William.

4th. The preference in selection, attainments being equal, will be given to those who have already been attached to, or served in Civil or Regimental Hospitals.

5th. No candidate will be allowed to present himself for examination, who cannot produce a written testimonial of his conduct and character, or afford satisfactory evidence as to who and what he is. A few individuals of decidedly bad character have, upon recent occasions, managed to obtain admittance, it is supposed, by producing false papers: the strictest care and scrutiny will therefore be exercised in examining the credentials of all future candidates, who will, in addition, require to be furnished with regular muster rolls, in order that they may be identified.

6th. All pupils must, as a condition of their appointment, reside within the College premises at all times, and never be absent from morning and evening muster without special leave.

7th. All students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

8th. No candidate will be admitted to the School, who is physically unfit for the duties of a Soldier.

ACT No. VII. of 1852.

An Act for amending Act XVII. of 1840 as to penalties for breaches of the Salt Laws in the Madras Presidency.

ACT No. VIII. of 1852.

An Act for remunerating the Sheriffs of Calcutta, Madras, and Bombay for the execution of Mofussil Process under Act XXIII. of 1840.

For making better provision for the Sheriffs of Calcutta, Madras and Bombay, in remuneration for the execution of legal process issued by Courts out of the said towns respectively, It is enacted as follows:

I. The several Sudder Courts of the Presidency of Fort William in Bengal, and the Sudder Courts of the Madras and Bombay Presidencies respectively shall make, and from time to time amend, a table of reasonable fees, to be taken on account of the execution by the Sheriff in such Presidency of any legal process issued by any Court, Judge or Magistrate, beyond the jurisdiction of the several Supreme Courts established by Royal Charter in Calcutta, Madras and Bombay, and of the sums to be allowed for costs of advertisements, or other notifications of sales of property, according to the amount of the decrees to be satisfied by such sales, which fees and sums shall be payable by the party applying for the process before it is sent to the Sheriff for execution, and shall be deemed costs in the cause.

II. The said table of fees and sums, when made or amended as aforesaid, shall be submitted by the Sudder Court of the Lower Provinces of the Presidency of Fort William to the Governor of Bengal, and by the Sudder Court of the North Western Provinces of the said Presidency to the Lieutenant Governor of those Provinces, and by the Sudder Courts of Madras and Bombay respectively to the Governor in Council of the Presidencies in which such Courts respectively have jurisdiction, for his approval, and the said table of fees and sums shall have full force and effect, and the fees and sums therein mentioned may be lawfully demanded and taken from and after the approval thereof by the said Governor, Lieutenant Governor or Governor in Council, as the case may be.

III. Every such Court, Judge and Magistrate issuing process as aforesaid shall cause a separate account to be kept of the amount of all fees and sums so paid, and shall, from time to time, as directed by Government, cause the amount thereof to be paid into the local treasury.

IV. The Government of each of the Presidencies and Provinces aforesaid shall twice in each year account for and pay over to the Sheriff, for the time being, the amount of fees and sums so paid, after deducting all necessary expenses of receiving and keeping account thereof, and remitting the nett proceeds thereof to Calcutta, Madras or Bombay, as the case may be; or, where the amount has accrued in the shrievalty of more than one Sheriff, shall apportion the sum paid accordingly between the Sheriff for the time being, and the then late Sheriff.

VII. No fee, estimated upon the amount of the sum for which any person is taken in execution, shall be payable to the Sheriffs of Calcutta, Madras or Bombay, or any of their Bailiffs, for taking the body of any person in execution on any process issued by any Court, Judge or Magistrate out of the local jurisdiction of the said Supreme Courts respectively; but instead thereof, such fees shall be payable to the Sheriff for taking the body of any person in execution of any such process, as shall be settled, from time to time, by the Sudder Court as aforesaid.

VIII. The 6th February 1852.*

The following Act, passed by the Governor General of India in Council on the 6th February 1852, is hereby promulgated for general information.

ACT No. X. OF 1852.

For constituting Commissioners for the Improvement of the Town of Calcutta.

Whereas Act XVI. of 1847, for constituting Commissioners for the improvement of the Town of Calcutta, has been found inconvenient and in-

effectual for the intended purposes thereof, It is enacted as follows:

I. Act XVI. of 1847 is repealed, except as to anything done, or forborne to be done, under the said Act before the passing of this Act, but not so as to revive Act XX. of 1840. Provided always that the taxes leviable under Act XVI. of 1847, on the owners or users of Carriages, Carts, and Horses, may still be assessed and imposed on such owners or users for the last quarter or part of a quarter previous to the passing of this Act; and all taxes and arrears of taxes, assessed and imposed on the owners or users of Carriages, Carts and Horses under Act XVI. of 1847, and not collected at the time this Act comes into operation, may be levied and recovered as if the said Act XVI. of 1847 were not repealed.

II. The scheme of election agreed upon by the owners and occupiers of assessed houses, buildings and lands in each division of the Town, and the rules made by the Commissioners, severally approved by the Deputy Governor of the Presidency of Fort William in Bengal, and President of the Council of India in Council, in pursuance of the said Act, are rescinded and annulled. Provided always, that all taxes and arrears of taxes assessed and imposed on the owners or users of Carriages, Carts and Horses under Act XVI. of 1847 and Section I. of this Act, and not collected at the time this Act comes into operation, may be levied and recovered as if the said Rules were not repealed.

III. For the purposes of this Act the Town of Calcutta shall be divided into two divisions; that is to say, a Northern and Southern division, by a line passing from the river Hooghly at the old Fort Ghaut along the centre of Fairlie Place, Clive Street, the street on the Northern side of Tank Square, Loll Bazaar, Bow Bazaar and Boitacannah; or such other two divisions as the Governor of the Presidency of Fort William in Bengal, from time to time, may appoint; and, whenever any such new division shall be made, the provisions of this Act, with respect to the divisions herein defined, shall be deemed to apply thenceforth to such new divisions.

IV. There shall be four Commissioners for executing the powers of this Act, who shall be styled the Commissioners for the Improvement of the Town of Calcutta, of whom two shall be appointed by the Governor of the Presidency of Fort William in Bengal, and two shall be elected as hereinafter provided, that is to say, one for each division of the said Town.

V. The Commissioners shall enter upon their office on the First day of January in each year, and shall hold their office regularly for one year, or until their successors are duly constituted; and until the first constitution of Commissioners under this Act, the Commissioners now acting in the execution of the said Act XVI. of 1847, shall exercise the powers of this Act, and shall be deemed Commissioners under this Act.

VI. Every person is entitled to one vote in the election of a Commissioner under this Act, who is the owner of a house, building or ground in either division of the said Town, and is assessed at not less than ten rupees tax in the whole for a quarter of a year, in respect of such house, building or ground, and who, on or before the 20th day of November in each year, has paid all such taxes due from him up to the last day of July, in the same year.

VII. Every person is entitled to one vote in the election of a Commissioner under this Act, who is the occupier of any house, building or ground in either division of the said Town, and who pays a monthly rent of not less than rupees seventy in respect of such house, building, or ground.

VIII. Each voter is entitled to vote in that division only, in which he is assessed to the amount which constitutes his qualification: but any person who is assessed or pays rent to the qualifying amount in each division, may be entitled to vote in both. No person shall be entitled to two votes in any one division by reason of his being both an owner and occupier to the qualifying amounts respectively in such division.

IX. All elections under this Act shall be under the management of the Sheriff of Calcutta, who shall appoint a sufficient number of Deputies to help him in presiding thereat: and every Deputy, while so acting for the Sheriff, shall have the same powers and duties as the Sheriff with respect to the division for which he is acting.

X. The elective Commissioners shall be chosen yearly, on a day between the First and Twentieth days of December, to be appointed in each year by the Sheriff of Calcutta, of which day, and also of the place of election, the Sheriff shall give notice, by advertisement in the *Calcutta Gazette*, Fifteen days at least before the day of election.

XI. The place of election for each division of the Town shall be the Town Hall of Calcutta, or such other place as the Sheriff, with the sanction of the Governor of the Presidency of Fort William in Bengal, shall, from time to time, appoint.

XII. The voting shall begin at eight of the clock in the morning, and end at five of the clock in the afternoon of the appointed day.

XIII. Every person qualified to vote in the election, and none other, is qualified to be a candidate for election as a Commissioner.

XIV. Every candidate shall, ten days at least before the day of election, give notice thereof in writing to the Sheriff, naming the division for which he is a candidate, and shall at the same time produce to, and leave with, the Sheriff a certificate from the Secretary to the Commissioners that he is qualified to be a candidate, which certificate the Secretary shall be bound to give without fee or charge, on personal application, to any person duly qualified.

XV. All expenses of the election of Commissioners, including the expense of advertising the time and place of election, shall be defrayed by the candidates; and every candidate shall, at the time when he produces to the Sheriff his certificate of qualification, deposit with the Sheriff the sum of two hundred rupees toward the expenses of the election, and in default thereof shall not be qualified to be elected.

XVI. If the whole amount so deposited shall not be spent by the Sheriff in such election, the residue shall be returned to the candidates in equal proportions; and if the whole amount so deposited is not enough to defray the expense of such election, the Sheriff shall be entitled to receive from each candidate his proportionate share of the surplus expense, and in default of payment may sue for, and recover the same, as money spent on behalf of such candidate.

XVII. The Commissioners shall cause to be prepared, in each year, correct alphabetical lists of the owners qualified to vote in each division of the Town, and also an alphabetical list of the occupiers qualified to vote in each of the said divisions, who shall, on or before the 1st day of November in each year, apply to the Commissioners to have their names entered in such lists, and the said lists shall be open for inspection at the office of the said Commissioners, on or before the First day of December in each year, during all reasonable hours of the day, until the day of election, when the said lists, or copies thereof, shall be taken to the place of election for the use of the Sheriff and his Deputies.

XVIII. The Secretary to the Commissioners, on the written application of any person qualified to vote as aforesaid, signed by himself, specifying the division, street and number, or other description of every house, or building, or the land in respect of which the claim is made, and delivered to the Secretary on some day between the 1st and 30th day of November, both inclusive,—with, where the applicant is an owner, the receipted assessment bills, shewing that the applicant has paid the taxes required by this Act to qualify him to vote, or with, where the applicant is an occupier, the receipted rent bills, shewing that such occupier has paid the rent required by this Act to qualify him to vote,—shall give to such person a voting ticket, according to his qualification. The voting tickets shall be numbered and signed by the Secretary to the Commissioners, and shall be in one of the forms contained in the first Schedule annexed to this Act, or in such other form as shall be, from time to time, adopted by the Commissioners, with the approval of the Governor of the Presidency of Fort William in Bengal. The Secretary to the Commissioners shall keep a Register of such voting tickets, which shall specify the number of each voting ticket, the name of the voter, and the premises in respect of which such voting ticket is given, and the said Secretary, on the day of election, shall take the said Register to the place of election, for the use of the Sheriff and his deputies.

XIX. The voting ticket shall be conclusive evidence that the person named therein is entitled to vote at the next election of a Commissioner in the division for which the ticket is given, according to the tenor thereof.

XX. At the time and place appointed for the election, the Sheriff or his Deputies shall attend with two closed boxes, with openings in each box for the reception of voting tickets, and distinguished from each other, by having marked or painted legibly, in English and Bengallee characters, the word "Northern" on one box, and the word "Southern" on the other.

XXI. Every voter, having obtained his voting ticket in each division in which he is qualified to vote, and having written thereon the name of the candidate for whom he wishes to vote, and having signed the same, shall personally attend at the place of election, and shall deliver his voting ticket to the Sheriff, or one of his Deputies presiding at the election for that division, who, on being satisfied of the identity of the person tendering the voting ticket with the person whose signature it bears, shall deposit such voting ticket in the box of the division.

XXII. The Secretary, Assessors, Collectors and Collecting Sircars of the Commissioners, and, if required by any candidate, an agent appointed

by writing under his hand on his behalf, shall attend at the place of election during the continuance thereof, for the purpose of assisting in identifying the persons who shall tender voting tickets.

XXIII. The decision of the Sheriff, or his Deputy, admitting or rejecting any disputed vote tendered at any election, shall be conclusive as to the reception of the vote.

XXIV. At the close of the poll for any division, the Sheriff, or his Deputies, in the presence of the candidates, or such of them as choose to be present, or of scrutineers appointed in writing under their several hands, shall ascertain the number of votes given for each candidate in each division; and the Sheriff shall thereupon publicly declare the name of the candidate in each division for whom the greatest number of votes has been given in such division, and shall declare such candidate to be duly elected a Commissioner for the improvement of the Town of Calcutta.

XXV. If two or more candidates at the head of the poll in any one division of the Town shall have the same number of votes, the Governor of the Presidency of Fort William in Bengal shall appoint one of the candidates, having such equal number of votes, to be one of the elected Commissioners for the improvement of the Town of Calcutta.

XXVI. The result of every election shall be certified by the Sheriff to the Governor of the Presidency of Fort William in Bengal, who will cause notice thereof to be given in the *Calcutta Gazette*.

XXVII. If any vacancy, from any cause whatever, happens before the month of December in any year among the Commissioners, the Governor of the Presidency of Fort William in Bengal shall appoint a person qualified to be elected to fill such vacancy, and the Commissioner appointed to fill such vacancy shall be a Commissioner as if he had been elected at the then last general election of Commissioners.

XXVIII. The 158th Section of the Act of Parliament passed in the 33rd year of the reign of King George the Third, and numbered Chapter 52, is hereby repealed, and the powers and duties which by the said Act were conferred and imposed on the Justices of the Peace within, or for the Presidency of Fort William in Bengal, in regard to the collection, levying, and disbursement of the taxes thereby authorized to be assessed by them on the owners or occupiers of houses, buildings, and grounds, shall be exercised and performed by the said Commissioners, instead of the said Justices of the Peace; and the powers and duties by Act XXII. of 1847 or any other Act conferred on, or belonging to the Commissioners constituted under the said Act XVI. of 1847, and their Officers, shall be transferred to, and belong to the Commissioners constituted under this Act, and their Officers respectively.

XXIX. The Justices of the Peace within and for the said Town of Calcutta shall make a quarterly assessment at the rate of six and one quarter per cent., or one anna in the Rupee, on the owners of houses, buildings, and grounds within the said Town, according to the gross monthly rental thereof, or on the gross monthly rental at which the same might, in the estimation of the said Justices, reasonably be expected to let.

XXX. Of the two Commissioners yearly appointed by the Governor of the Presidency of Fort William in Bengal, one shall be President of the Commissioners. In the absence of the President, such other Commissioner shall act as Chairman of the meetings of the Commissioners as shall be chosen by those present. On all questions on which the Commissioners present are equally divided in opinion, the President shall have a second or casting vote. No meeting of the Commissioners shall be held without twenty-four hours' notice being given to all the Commissioners, and two Commissioners shall be necessary to constitute a meeting.

XXXI. The Commissioners shall severally receive such monthly salaries, not exceeding two hundred and fifty rupees each, to be paid out of the taxes levied under the said Act of Parliament, and Act XVI. of 1847, and this Act, as the Governor of the Presidency of Fort William in Bengal, with the approval of the Governor General of India in Council shall, from time to time, appoint.

XXXII. The Commissioners shall appoint a Secretary, subject to the approval of the Governor of the Presidency of Fort William in Bengal, and shall also appoint a sufficient number of Assessors, Collectors, Surveyors, Inspectors, Appraisers, Bailiffs, and such other Officers as they may deem necessary for assessing, collecting or levying the taxes imposed on the owners or occupiers of houses, buildings, and grounds under the authority of the said Act of Parliament, and of this Act, and also the taxes and penalties herein mentioned, and may appoint the same persons to act both as Assessors and Collectors, and may prescribe such rules, and take such security for the due execution of the duties of such Secretary and Officers as they may deem expedient; and the Secretary and Officers of the Commissioners shall receive such salaries, to be paid out of the said taxes, as the Commissioners from time to time may appoint, subject to the approval of the said Governor. The Secretary and every other Officer shall be removable at the pleasure of the Commissioners, subject, in the case of the Secretary, to the approval of the said Governor.

XXXIII. All rates and taxes assessed on the owners of houses, buildings, and grounds, and penalties imposed under the authority or colour of the said Act of Parliament, and Act XVI. of 1847, before this Act comes into operation, may be demanded, and if not duly paid, may be levied and recovered by the Commissioners acting under the authority of this Act, in the same manner, and by the same forms, or by forms to the like effect, as if they had been imposed under the authority of this Act.

XXXIV. The owners of houses, buildings, and grounds, within the said town, shall pay such sums of money as shall be assessed upon them by the said Justices according to the said rate of six and a quarter per cent., or one anna in the rupee.

XXXV. Where there is land wholly or partly covered with houses or buildings, which do not belong, or which belong only in remainder or reversion, to the owner of the land, and rent is covenanted to be paid to the owner of the land, wholly or partly irrespective of the value of the said houses, or buildings, the said Justices may assess the owner of the land separately, in respect of the land, and the owners of the houses, and buildings, according to their value, after deduction

of the value of the land, in respect whereof the owner thereof is separately assessed.

XXXVI. The said Justices, in their discretion, may omit from their valuation and assessment any tenement of very small value, unless where there are many such belonging to the same owner, which can be conveniently valued and assessed together.

XXXVII. Where any house, building or ground, within the said town, has been vacant for sixty consecutive days in any quarter of a year, the rates for that quarter shall be remitted, provided that the owner of such house, building, or land, shall have given notice in writing of the vacancy thereof, to the Secretary of the Commissioners, within seven days next after the day on which it becomes vacant; and if such notice of vacancy be not given within the said seven days, the said rates shall be remitted from the day on which the notice may be delivered to the Secretary.

XXXVIII. The first assessment to be made under this Act shall be made on or after the Twelfth day of February 1852, for the months of February, March and April 1852; and, when made, shall be taken to supersede and annul any previous assessment made by the Justices for the same period or any portion thereof; and every following assessment shall in like manner be made prospectively at the commencement of the quarter of a year in which it is made.

XXXIX. The assessment of the taxes specified in this Act, shall be made by the said Justices or any of them, but shall in every case require to be confirmed at a subsequent Meeting of the said Justices, and the said Justices shall cause such assessments, when made and confirmed, to be entered in books to be kept in their office, and the entries for such assessments in the said books, authenticated by the signatures of the Justices or any two of them, shall be conclusive evidence of the several assessments therein specified.

XL. The Justices shall give at least fourteen days' notice, by advertisement in the *Calcutta Gazette*, of the day and hour when they will meet in their office, for the purpose of revising and confirming the said assessment; and every person who deems himself aggrieved in any respect by the said assessment, and is desirous of appealing against the same, must attend such meeting; and the Justices may adjourn such meeting, if necessary, from day to day; and, after hearing and determining all objections to the assessment, may make such amendments therein as to them may appear just, and finally confirm the same as so amended.

XLI. The books containing the proposed assessment shall be in the office of the Justices during the said period of fourteen days, or more, open at all reasonable times to the inspection of all persons assessed therein.

XLII. The taxes specified in this Act shall be due and payable from and after the end of the quarter of a year, or other period for which they are imposed.

XLIII. When the taxes specified in this Act shall be due and payable, or as soon after as convenient, the said Commissioners shall send, or cause to be sent, to the persons severally liable to pay any of such taxes, a statement or bill in the form (A) contained in the second Schedule annexed to this Act, or to the like effect, of the sums

due from such persons respectively in respect of the said taxes.

XLIV. When any person shall be in arrear of the payment of the said taxes specified in this Act, the said Commissioners, or any one of them, or their Officer duly authorized by them, may issue, or cause to be issued and served upon such person, a Notice of Demand in the form (B) contained in the second Schedule annexed to this Act, or to the like effect: and if he shall not, within five days from the service of such Notice of Demand, pay the arrear due from him, according to the tenor of such Notice of Demand, the said Commissioners, or any one of them, or their Officer duly authorized by them, may issue and serve, or cause to be issued and served, upon such person a summons to pay in the form (C) contained in the second Schedule annexed to this Act, or to the like effect, requiring such person to appear before the said Commissioners, or any one or more of them, on a day and at an hour and place to be named in such summons.

XLV. On the appearance of the party summoned, the said Commissioners, or any one or more of them, may make such further enquiry into the case as to them or him seems just, and may make such order for the payment of the whole or any part of the demand, as to them or him seems just; and, in case of the non-appearance of the party summoned, the said Commissioners, or any one or more of them, on proof of service of the said summons, and on making such further enquiry into the case as to them or him seems just, may decide the claim, in like manner as if the said party were present, and may make such order for the payment of the demand, together with such costs as to them or him may seem reasonable.

XLVI. In order that the Justices and Commissioners may be better informed of the value of any house, building, or ground, or in any other matter relating to their duty under this Act, and the execution thereof, the Justices or Commissioners, or any one of them, or their officer duly authorized by them, may issue a summons, in the form (D) contained in the second Schedule annexed to this Act, to any person whom they are desirous of examining for that purpose; and any one or more of the said Justices or Commissioners may examine such person so summoned, concerning the value of such house, building, or ground, or other matter relating to the assessment; and such examination shall be taken down in writing, in such manner as the Justices or Commissioners may order: and in case the answers of such person so examined shall appear to the said Justices or Commissioners to be evasive or untrue; or in case the party summoned shall refuse to answer any lawful question of the said Justices or Commissioners, or any one of them, or shall be proved to have refused to receive, or to have wilfully destroyed, defaced, or unlawfully detained any Bill, Summons, or Notice of Demand served upon him, with intent to evade being lawfully rated to the full amount of any of the said taxes due from him, or with intent to avoid or delay payment thereof; or shall be proved knowingly, or through gross negligence, to have given any false information, either verbally or in writing, to the said Justices or Commissioners, or any of them, or any of their Assessors or Officers, whereby they or any Assessor or person employed by them shall be misled in making any assessment; or in case the party summoned shall refuse, or without lawful excuse neglect to

appear before the said Justices or Commissioners, in pursuance of such summons; such person shall, for any of the above-mentioned offences, be liable to such penalty, not exceeding one hundred rupees, as shall be set on him by the said Justices or Commissioners, or any one of them, and such penalty shall be recovered under a warrant to be issued for that purpose by the said Justices or Commissioners, or any one of them, by distress and sale of any Goods and Chattels within the Town belonging to the person liable to pay or make good the said penalty: and every such warrant of distress may be in the form (G.) contained in the second Schedule annexed to this Act or to the like effect.

XLVII. All arrears of taxes and penalties due under the said Statute 33 George III., Act XVI. of 1847, and this Act, and the costs and charges of recovering the same, may be recovered at any time after the day on which the person liable to pay such arrears has been summoned to appear before the Commissioners, or any one or more of them, as provided by Section XLIV. of this Act, under a warrant to be issued for that purpose, under the hand and seal of one of the said Commissioners, by distress and sale of any goods and chattels within the Town of Calcutta, belonging to the person liable to make good or pay the same, or being at any time within the house or building, or upon the ground in respect of which any such assessment is made: and every such Warrant of Distress may be in the form (E) contained in the second Schedule annexed to this Act, or to the like effect.

XLVIII. The Bailiff shall make an inventory of all goods and chattels seized under any warrant, and shall give a notice in writing in the form (F) contained in the second Schedule annexed to this Act, or to the like effect, to the person in possession thereof at the time of the seizure, that the said goods and chattels will be appraised and sold in manner therein mentioned.

XLIX. If the warrant is not in the mean time discharged or suspended by one or more of the said Commissioners, the goods and chattels seized shall be appraised and sold, and the proceeds thereof shall be applied in discharge of the arrears, or penalty, and costs, and the surplus, if any, shall be returned, on demand, to the person in possession of the goods and chattels at the time of the seizure; and the fees upon every such proceeding shall be such as are mentioned and set forth in the third Schedule annexed to this Act.

L. Instead of proceeding by distress and sale, or in case of failure to realize by distress the whole or any part of the rates, taxes, or penalties under the said Statute 33 Geo. III., Act XVI. of 1847, or this Act, the Commissioners, or any one or more of them, if they think fit, may authorize any Collector or other person to sue the person liable to pay such rates, taxes, or penalties for any arrears of such rates, taxes, or penalties, in the Calcutta Court of Small Causes; and all such suits may be prosecuted by such Collector or other person in the name of the Commissioners; and the costs, if any, incurred in any such suit, which are not recovered in the suit, may be defrayed out of the taxes levied under this Act.

LI. When any Bill, Notice of Demand, Summons, or other proceeding of any kind whatsoever with respect to any Taxes under the said Statute, Act XVI. of 1847, or this Act, is to be issued to

the owner of any premises, if his name be not certainly known, it shall be sufficient to address such proceeding to him by the description of the "Owner" of the premises (naming or describing them) in respect of which such proceeding is issued, without further name or description of such owner, and such proceeding may be duly served as hereinafter mentioned; and every Bill, Notice, Summons, or Notice of Demand, may be served personally upon the person to whom the same is addressed, or left with his door-keeper, or some inmate of his place of abode; and when any person shall, by keeping his place of abode or business closed, or by absconding, or by violence or threats, prevent any Officer or Servant of the said Commissioners from serving any Bill, Notice, Summons, or Notice of Demand, as herein directed, such Bill, Notice, Schedule, Summons, or Notice of Demand, shall be duly served, by fixing the same conspicuously on some part of the outer wall, gate, or door of the house or place of business, or of the enclosure in which it stands. In case the place of abode of the Owner be not within the limits of the said Town, it shall be sufficient for the Commissioners to transmit any Bill, Notice, Summons, or Notice of Demand, directed to him by name through the Post, or to serve the same upon the occupier of the premises assessed, or upon the Agent (if any) of such owner.

LII. No distress levied under the authority of this Act shall be unlawful, nor shall any party making the same be deemed a trespasser on account of any defect or want of form in the Notice, Bill, Summons, Notice of Demand, Warrant of Distress, Inventory, or other proceeding relating thereto, nor shall he be a trespasser from the beginning on account of any irregularity afterwards committed by him.

LIII. The said Commissioners shall, from time to time, subject to the approval of the Governor of the Presidency of Fort William in Bengal, make rules for regulating their proceedings under this Act, and for the regulation of the time and manner of demanding and collecting the taxes specified in this Act, and for altering any of the forms set forth in the Schedules hereunto annexed, and the said Justices shall, from time to time, subject to the like approval, make Rules for regulating their proceedings under this Act, and for the regulation of the time and manner of assessing the rates specified in this Act.

LIV. The goods and chattels of the owner of any house, building, or ground rated under the said Statute 33 George III., Chapter LII., Section 158, Act XVI. of 1847, or this Act, shall be liable to be distrained anywhere (except goods and chattels concealed as hereinafter mentioned), for deficiency in the payment of rates; and it shall not be necessary in any assessment, rate or tax, or warrant of distress under the said Statute, Act XVI. of 1847, or this Act, to specify the names of the owners of houses, buildings, or grounds; but it shall be sufficient if the house, building, or ground, in respect of which the tax is assessed, be identified, and in the case of houses numbered in any street, that the name of the street and the number of the house be specified.

LV. All goods and chattels, which shall be found upon any premises rated, shall be liable to be distrained for any arrears of rates or taxes assessed in respect thereof; and, if the said goods and chattels belong to the occupier of such premises, such occupier may deduct the amount of the levy

made upon his goods and chattels, or of any payment made by him in order to prevent such levy, from the following payments of his rent. If they belong to any person other than the occupier of the premises, or if no further rent is payable by such occupier, he may in such case recover the amount so paid or levied, by suit in the Calcutta Court of Small Causes, from the owner of the premises, as for money paid on his behalf.

LVI. Every person shall be entitled to have from the Secretary to the Commissioners, on application at their Office, and on payment of a fee of four annas, a certificate, specifying the last quarter in respect of which the taxes on account of any house, building, or ground are paid.

LVII. When there is reason to believe that goods and chattels, liable to distress under the said Statute, Act XVI. of 1847, or this Act, are concealed in any zenana, the officer charged with the execution of the warrant shall make a special report to the Commissioner granting the same, who shall thereupon follow, as closely as may be, the rules for the seizure of goods and chattels in like cases adopted by Her Majesty's Supreme Court of Judicature.

LVIII. Every person who wilfully obstructs or molests the said Commissioners, or any one of them, or their Secretary, or any of their Officers or servants in the performance of their respective duties, under the said Act of Parliament, Act XVI. of 1847, or this Act, shall be liable, on summary conviction before a Justice of the Peace, on his own confession, or the oath of one or more witnesses, to forfeit and pay a penalty not exceeding fifty rupees.

LIX. The Commissioners or any one of them may sue and be sued at Law and Equity in the name of their Secretary for the time being, and no action or suit to be brought or commenced by, or against such Secretary in manner aforesaid, shall abate or be discontinued by the death, resignation, or removal of such Secretary; and no execution shall issue or be had in any such action or suit against such Secretary until six months' notice shall have elapsed after final judgment in such action or suit shall have been obtained, and every such Secretary, in whose name or by or against whom any such action or suit shall be brought, commenced, or sued, shall be fully reimbursed and paid all such costs, charges, damages, and expenses as by the event or in consequence of any action, suit, or proceeding he shall pay, sustain, or be put unto or become chargeable with or liable to by reason of his being plaintiff or defendant as aforesaid, or of his name being used as aforesaid, by and out of the funds under the control of the Commissioners; and if any person against whom the Commissioners shall have any claim or demand, take the benefit of, or become subject as an insolvent to the operation of any Act for the Relief of Insolvent Debtors, the Secretary of the Commissioners in all proceedings in the insolvency may represent the Commissioners and act in their behalf in all respects as if such claim or demand had been the claim or demand of such Secretary, and not of the Commissioners.

LX. The Secretary of the Commissioners being the plaintiff, prosecutor, or defendant or otherwise acting in any action, suit or proceeding as aforesaid, shall be competent to be a witness therein, in the same manner as he might have been if his name had not been made use of as the

plaintiff, defendant, or otherwise in any such action, suit, or proceeding.

LXI. No writ or process shall be issued out against or served upon any Commissioner, or any Secretary, Surveyor, or other Officer, or person whomsoever acting under the direction of the Commissioners, for anything done or intended to be done under the powers of this Act, until the expiration of one month next after notice in writing shall have been delivered to him or left at his Office or place of abode, explicitly stating the cause of action, and the name and place of abode of the intended plaintiff, and of his Attorney or Agent in the cause; and upon the trial of any such action, the plaintiff shall not be permitted to go into evidence of any cause of action except such as is stated in the notice so delivered, and unless such notice be proved, the Court shall find for the defendant; and every such action shall be brought or commenced within three calendar months next after the accrual of the cause of action, and not afterwards; and if any party shall have committed any irregularity, trespass, or other wrongful proceedings in the execution of this Act or by virtue of any power or authority hereby given, and if before action brought in respect thereof, such party shall make tender of sufficient amends to the party injured, such last-mentioned party shall not recover in any such action when brought, and if no such tender shall have been made, it shall be lawful for the defendant in such action, by leave of the Court where such action shall be pending, at any time before issue joined, to pay into Court such sum of money as he shall think fit, and thereupon such proceedings shall be had as in other cases, where defendants are allowed to pay money into Court.

LXII. No matter or thing done, or contract entered into by the Commissioners, or any one of them, or by any Secretary, Surveyor, or other Officer or person whomsoever, acting under the direction of the Commissioners, shall, if the matter or thing were done, or the contract were entered into *bond fide*, for the purpose of executing this Act, subject them or any of them personally to any action, liability, claim or demand whatsoever; and any expense incurred by any such Commissioner, Secretary, Surveyor, or other Officer or person acting as last aforesaid, shall be borne and repaid out of the funds under the control of the Commissioners.

LXIII. In any such action as aforesaid the defendant may plead the general issue, and give this Act, and any special matter in evidence on the trial.

LXIV. If in any such action judgment be given for the defendant, or if the plaintiff be nonsuited or discontinue the said action, the defendant shall be entitled to his costs as between attorney and client, and shall have such remedy for recovery thereof as any defendant has for his costs in any other case by law.

LXV. The whole proceeds of the said taxes, after paying all salaries, establishments, and incidental expenses of the said Commissioners, shall, with such moneys as the Governor of the Presidency of Fort William in Bengal, with the sanction of the Governor General of India in Council, may direct to be paid to the said Commissioners, be applied by them to the following purposes, that is to say,—

In cases of an aggravated nature, wherein it may appear necessary to require security for keeping the peace in addition to the recognizance of the party, it shall be lawful for such Magistrates to direct the same, and to fix a reasonable amount for the security bond, to be executed in the form annexed to this Act by the surety or sureties.

IV. Whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace, with or without additional security, need not exceed one year, it shall be lawful for him, without reference to superior authority, to give directions accordingly, and in default of such recognizance or additional security, to commit the party to prison in the Civil Jail until he shall do what has been required of him.

V. Whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace, with or without additional security, ought to exceed the period of one year, the Magistrate shall record his opinion to that effect, with an order specifying the amount of recognizance and security, as well as the number of sureties which should in his judgment be

required, and the period for which the recognizance and security should be required, which however shall in no case exceed three years. If the party shall not furnish the recognizance and security so required, the proceedings shall be laid before the Sessions Judge, who, after examining them and calling for any further information which he may think necessary, shall pass orders on the case, confirming, modifying, or annulling the orders of the Magistrate; and if the orders so passed by the Sessions Judge confirm to any extent the requisition for recognizance or securities, the Sessions Judge shall direct the Magistrate to commit the party to prison in the Civil Jail until he shall do what has been required of him.

VI. Provided always, that no party shall be kept in prison under the foregoing provisions of this Act for a longer period than that for which the recognizance and securities have been required from him.

VII. The Magistrate may at his discretion, discharge recognizances and securities for keeping the peace taken by himself, and may order the release of persons confined under his own order for default in entering into such recognizances, or giving such securities.

VIII. Sureties for the peace shall at all times be discharged from further responsibility on delivering up to the proper Magistrate or Police Officer the persons for whom they have become responsible.

IX. Whenever it may be proved before the Magistrate that any such recognizance has been forfeited, he shall proceed to enforce the penalty of such recognizance in the mode prescribed for the satisfaction of decrees of the Civil Court.

X. Whenever it may be proved before the Magistrate that any such recognizance has been forfeited, if a security bond shall have been taken, and the Magistrate shall think that proceedings should be had upon such bond, he shall give notice to the surety or sureties to pay the penalty, or to show cause why it should not be paid, and if no sufficient cause shall be shown, the Magistrate shall proceed to recover the penalty from such surety or sureties by the attachment and sale of any of his or their property, in the mode prescribed for the attachment and sale of property in satisfaction of decrees of the Civil Court, and if the penalty be not paid, and cannot be recovered by such attachment and sale, such surety or sureties shall be liable to confinement by order of the Magistrate, in the Civil Jail of the station, during a period not exceeding six months.

XI. All sentences and orders passed under this Act shall be appealable, subject to the general provisions which regulate appeals.

XII. In the Territories subject to the said Presidencies, all Mochulkas and Security Bonds which by force of any Act or Regulation may be taken by Criminal Courts of the East India Company, or by Magistrates, for keeping the peace or for good behaviour, may be enforced in the manner prescribed by Sections IX. and X. of this Act.

XIII. Nothing in this Act contained shall be construed so as to repeal or otherwise affect the provisions of Sections XXIV. XXV. and XXVI. of Regulation XII. of 1827, of the Bombay Code, with respect to the recognizances or securities which may be taken for securing the attendance of witnesses and of the offenders therein mentioned.

ACT NO. X. OF 1852.

For constituting Commissioners for the Improvement of the Town of Calcutta.

Whereas Act XVI. of 1847, for constituting Commissioners for the improvement of the Town of Calcutta, has been found inconvenient and in-

effectual for the intended purposes thereof, It is enacted as follows:

I. Act XVI. of 1847 is repealed, except as to anything done, or forborne to be done, under the said Act before the passing of this Act, but not so as to revive Act XX. of 1840. Provided always that the taxes leviable under Act XVI. of 1847, on the owners or users of Carriages, Carts, and Horses, may still be assessed and imposed on such owners or users for the last quarter or part of a quarter previous to the passing of this Act; and all taxes and arrears of taxes, assessed and imposed on the owners or users of Carriages, Carts and Horses under Act XVI. of 1847, and not collected at the time this Act comes into operation, may be levied and recovered as if the said Act XVI. of 1847 were not repealed.

II. The scheme of election agreed upon by the owners and occupiers of assessed houses, buildings and lands in each division of the Town, and the rules made by the Commissioners, severally approved by the Deputy Governor of the Presidency of Fort William in Bengal, and President of the Council of India in Council, in pursuance of the said Act, are rescinded and annulled. Provided always, that all taxes and arrears of taxes assessed and imposed on the owners or users of Carriages, Carts and Horses under Act XVI. of 1847 and Section I. of this Act, and not collected at the time this Act comes into operation, may be levied and recovered as if the said Rules were not repealed.

III. For the purposes of this Act the Town of Calcutta shall be divided into two divisions; that is to say, a Northern and Southern division, by a line passing from the river Hooghly at the old Fort Ghaut along the centre of Fairlie Place, Clive Street, the street on the Northern side of Tank Square, Loll Bazaar, Bow Bazaar and Boitacannah; or such other two divisions as the Governor of the Presidency of Fort William in Bengal, from time to time, may appoint: and, whenever any such new division shall be made, the provisions of this Act, with respect to the divisions herein defined, shall be deemed to apply thenceforth to such new divisions.

IV. There shall be four Commissioners for executing the powers of this Act, who shall be styled the Commissioners for the Improvement of the Town of Calcutta, of whom two shall be appointed by the Governor of the Presidency of Fort William in Bengal, and two shall be elected as hereinafter provided, that is to say, one for each division of the said Town.

V. The Commissioners shall enter upon their office on the First day of January in each year, and shall hold their office regularly for one year, or until their successors are duly constituted; and until the first constitution of Commissioners under this Act, the Commissioners now acting in the execution of the said Act XVI. of 1847, shall exercise the powers of this Act, and shall be deemed Commissioners under this Act.

VI. Every person is entitled to one vote in the election of a Commissioner under this Act, who is the owner of a house, building or ground in either division of the said Town, and is assessed at not less than ten rupees tax in the whole for a quarter of a year, in respect of such house, building or ground, and who, on or before the 20th day of November in each year, has paid all such taxes due from him up to the last day of July, in the same year.

VII. Every person is entitled to one vote in the election of a Commissioner under this Act, who is the occupier of any house, building or ground in either division of the said Town, and who pays a monthly rent of not less than rupees seventy in respect of such house, building, or ground.

VIII. Each voter is entitled to vote in that division only, in which he is assessed to the amount which constitutes his qualification: but any person who is assessed or pays rent to the qualifying amount in each division, may be entitled to vote in both. No person shall be entitled to two votes in any one division by reason of his being both an owner and occupier to the qualifying amounts respectively in such division.

IX. All elections under this Act shall be under the management of the Sheriff of Calcutta, who shall appoint a sufficient number of Deputies to help him in presiding thereat: and every Deputy, while so acting for the Sheriff, shall have the same powers and duties as the Sheriff with respect to the division for which he is acting.

X. The elective Commissioners shall be chosen yearly, on a day between the First and Twentieth days of December, to be appointed in each year by the Sheriff of Calcutta, of which day, and also of the place of election, the Sheriff shall give notice, by advertisement in the *Calcutta Gazette*, Fifteen days at least before the day of election.

XV. All expenses of the election of Commissioners, including the expense of advertising the time and place of election, shall be defrayed by the candidates; and every candidate shall, at the time when he produces to the Sheriff his certificate of qualification, deposit with the Sheriff the sum of two hundred rupees toward the expenses of the election, and in default thereof shall not be qualified to be elected.

XVI. If the whole amount so deposited shall not be spent by the Sheriff in such election, the residue shall be returned to the candidates in equal proportions; and if the whole amount so deposited is not enough to defray the expense of such election, the Sheriff shall be entitled to receive from each candidate his proportionate share of the surplus expense, and in default of payment may sue for, and recover the same, as money spent on behalf of such candidate.

XVII. The Commissioners shall cause to be prepared, in each year, correct alphabetical lists of the owners qualified to vote in each division of the Town, and also an alphabetical list of the occupiers qualified to vote in each of the said divisions, who shall, on or before the 1st day of November in each year, apply to the Commissioners to have their names entered in such lists, and the said lists shall be open for inspection at the office of the said Commissioners, on or before the First day of December in each year, during all reasonable hours of the day, until the day of election, when the said lists, or copies thereof, shall be taken to the place of election for the use of the Sheriff and his Deputies.

XVIII. The voting tickets shall be numbered and signed by the Secretary to the Commissioners, and shall be in one of the forms contained in the first Schedule annexed to this Act, or in such other form as shall be, from time to time, adopted by the Commissioners, with the approval of the Governor of the Presidency of Fort William in Bengal. The Secretary to the Commissioners shall keep a Register of such voting tickets, which shall specify the number of each voting ticket, the name of the voter, and the premises in respect of which such voting ticket is given, and the said Secretary, on the day of election, shall take the said Register to the place of election, for the use of the Sheriff and his deputies.

XIX. The voting ticket shall be conclusive evidence that the person named therein is entitled to vote at the next election of a Commissioner in the division for which the ticket is given, according to the tenor thereof.

XX. At the time and place appointed for the election, the Sheriff or his Deputies shall attend with two closed boxes, with openings in each box for the reception of voting tickets, and distinguished from each other, by having marked or painted legibly, in English and Bengallee characters, the word "Northern" on one box, and the word "Southern" on the other.

XXII. The Secretary, Assessors, Collectors and Collecting Sircars of the Commissioners, and, if required by any candidate, an agent appointed

by writing under his hand on his behalf, shall attend at the place of election during the continuance thereof, for the purpose of assisting in identifying the persons who shall tender voting tickets.

XXIII. The decision of the Sheriff, or his Deputy, admitting or rejecting any disputed vote tendered at any election, shall be conclusive as to the reception of the vote.

XXIV. At the close of the poll for any division, the Sheriff, or his Deputies, in the presence of the candidates, or such of them as choose to be present, or of scrutineers appointed in writing under their several hands, shall ascertain the number of votes given for each candidate in each division; and the Sheriff shall thereupon publicly declare the name of the candidate in each division for whom the greatest number of votes has been given in such division, and shall declare such candidate to be duly elected a Commissioner for the improvement of the Town of Calcutta.

XXV. If two or more candidates at the head of the poll in any one division of the Town shall have the same number of votes, the Governor of the Presidency of Fort William in Bengal shall appoint one of the candidates, having such equal number of votes, to be one of the elected Commissioners for the improvement of the Town of Calcutta.

XXVI. The result of every election shall be certified by the Sheriff to the Governor of the Presidency of Fort William in Bengal, who will cause notice thereof to be given in the *Calcutta Gazette*.

XXVII. If any vacancy, from any cause whatever, happens before the month of December in any year among the Commissioners, the Governor of the Presidency of Fort William in Bengal shall appoint a person qualified to be elected to fill such vacancy, and the Commissioner appointed to fill such vacancy shall be a Commissioner as if he had been elected at the then last general election of Commissioners.

XXVIII. The 158th Section of the Act of Parliament passed in the 33rd year of the reign of King George the Third, and numbered Chapter 52, is hereby repealed, and the powers and duties which by the said Act were conferred and imposed on the Justices of the Peace within, or for the Presidency of Fort William in Bengal, in regard to the collection, levying, and disbursement of the taxes thereby authorized to be assessed by them on the owners or occupiers of houses, buildings, and grounds, shall be exercised and performed by the said Commissioners, instead of the said Justices of the Peace; and the powers and duties by Act XXII. of 1847 or any other Act conferred on, or belonging to the Commissioners constituted under the said Act XVI. of 1847, and their Officers, shall be transferred to, and belong to the Commissioners constituted under this Act, and their Officers respectively.

XXIX. The Justices of the Peace within and for the said Town of Calcutta shall make a quarterly assessment at the rate of six and one quarter per cent., or one anna in the Rupee, on the owners of houses, buildings, and grounds within the said Town, according to the gross monthly rental thereof, or on the gross monthly rental at which the same might, in the estimation of the said Justices, reasonably be expected to let.

XXX. Of the two Commissioners yearly appointed by the Governor of the Presidency of Fort William in Bengal, one shall be President of the Commissioners. In the absence of the President, such other Commissioner shall act as Chairman of the meetings of the Commissioners as shall be chosen by those present. On all questions on which the Commissioners present are equally divided in opinion, the President shall have a second or casting vote. No meeting of the Commissioners shall be held without twenty-four hours' notice being given to all the Commissioners, and two Commissioners shall be necessary to constitute a meeting.

XXXI. XXXII. The Commissioners shall appoint a Secretary, subject to the approval of the Governor of the Presidency of Fort William in Bengal, and shall also appoint a sufficient number of Assessors, Collectors, Surveyors, Inspectors, Appraisers, Bailiffs, and such other Officers as they may deem necessary for assessing, collecting or levying the taxes imposed on the owners or occupiers of houses, buildings, and grounds under the authority of the said Act of Parliament, and of this Act, and also the taxes and penalties herein mentioned, and may appoint the same persons to act both as Assessors and Collectors, and may prescribe such rules, and take such security for the due execution of the duties of such Secretary and Officers as they may deem expedient; and the Secretary and Officers of the Commissioners shall receive such salaries, to be paid out of the said taxes, as the Commissioners from time to time may appoint, subject to the approval of the said Governor. The Secretary and every other Officer shall be removable at the pleasure of the Commissioners, subject, in the case of the Secretary, to the approval of the said Governor.

XXXIII. All rates and taxes assessed on the owners of houses, buildings, and grounds, and penalties imposed under the authority or colour of the said Act of Parliament, and Act XVI. of 1847, before this Act comes into operation, may be demanded, and if not duly paid, may be levied and recovered by the Commissioners acting under the authority of this Act, in the same manner, and by the same forms, or by forms to the like effect, as if they had been imposed under the authority of this Act.

XXXIV. The owners of houses, buildings, and grounds, within the said town, shall pay such sums of money as shall be assessed upon them by the said Justices according to the said rate of six and a quarter per cent., or one anna in the rupee,

XXXV. Where there is land wholly or partly covered with houses or buildings, which do not belong, or which belong only in remainder or reversion, to the owner of the land, and rent is covenanted to be paid to the owner of the land, wholly or partly irrespective of the value of the said houses, or buildings, the said Justices may assess the owner of the land separately, in respect of the land, and the owners of the houses, and buildings, according to their value, after deduction

of the value of the land, in respect whereof the owner thereof is separately assessed.

XXXVI. The said Justices, in their discretion, may omit from their valuation and assessment any tenement of very small value, unless where there are many such belonging to the same owner, which can be conveniently valued and assessed together.

XXXVII. Where any house, building or ground, within the said town, has been vacant for sixty consecutive days in any quarter of a year, the rates for that quarter shall be remitted, provided that the owner of such house, building, or land, shall have given notice in writing of the vacancy thereof, to the Secretary of the Commissioners, within seven days next after the day on which it becomes vacant; and if such notice of vacancy be not given within the said seven days, the said rates shall be remitted from the day on which the notice may be delivered to the Secretary.

XXXVIII. The first assessment to be made under this Act shall be made on or after the Twelfth day of February 1852, for the months of February, March and April 1852; and, when made, shall be taken to supersede and annul any previous assessment made by the Justices for the same period or any portion thereof; and every following assessment shall in like manner be made prospectively at the commencement of the quarter of a year in which it is made.

XXXIX. The assessment of the taxes specified in this Act, shall be made by the said Justices or any of them, but shall in every case require to be confirmed at a subsequent Meeting of the said Justices, and the said Justices shall cause such assessments, when made and confirmed, to be entered in books to be kept in their office, and the entries for such assessments in the said books, authenticated by the signatures of the Justices or any two of them, shall be conclusive evidence of the several assessments therein specified.

XL. The Justices shall give at least fourteen days' notice, by advertisement in the *Calcutta Gazette*, of the day and hour when they will meet in their office, for the purpose of revising and confirming the said assessment; and every person who deems himself aggrieved in any respect by the said assessment, and is desirous of appealing against the same, must attend such meeting; and the Justices may adjourn such meeting, if necessary, from day to day; and, after hearing and determining all objections to the assessment, may make such amendments therein as to them may appear just, and finally confirm the same as so amended.

XLI. The books containing the proposed assessment shall be in the office of the Justices during the said period of fourteen days, or more, open at all reasonable times to the inspection of all persons assessed therein.

XLII. The taxes specified in this Act shall be due and payable from and after the end of the quarter of a year, or other period for which they are imposed.

XLIII. When the taxes specified in this Act shall be due and payable, or as soon after as convenient, the said Commissioners shall send, or cause to be sent, to the persons severally liable to pay any of such taxes, a statement or bill in the form (A) contained in the second Schedule annexed to this Act, or to the like effect, of the sums

due from such persons respectively in respect of the said taxes.

XLIV. When any person shall be in arrear of the payment of the said taxes specified in this Act, the said Commissioners, or any one of them, or their Officer duly authorized by them, may issue, or cause to be issued and served upon such person, a Notice of Demand in the form (B) contained in the second Schedule annexed to this Act, or to the like effect: and if he shall not, within five days from the service of such Notice of Demand, pay the arrear due from him, according to the tenor of such Notice of Demand, the said Commissioners, or any one of them, or their Officer duly authorized by them, may issue and serve, or cause to be issued and served, upon such person a summons to pay in the form (C) contained in the second Schedule annexed to this Act, or to the like effect, requiring such person to appear before the said Commissioners, or any one or more of them, on a day and at an hour and place to be named in such summons.

XLV. On the appearance of the party summoned, the said Commissioners, or any one or more of them, may make such further enquiry into the case as to them or him seems just, and may make such order for the payment of the whole or any part of the demand, as to them or him seems just; and, in case of the non-appearance of the party summoned, the said Commissioners, or any one or more of them, on proof of service of the said summons, and on making such further enquiry into the case as to them or him seems just, may decide the claim, in like manner as if the said party were present, and may make such order for the payment of the demand, together with such costs as to them or him may seem reasonable.

XLVI. In order that the Justices and Commissioners may be better informed of the value of any house, building, or ground, or in any other matter relating to their duty under this Act, and the execution thereof, the Justices or Commissioners, or any one of them, or their officer duly authorized by them, may issue a summons, in the form (D) contained in the second Schedule annexed to this Act, to any person whom they are desirous of examining for that purpose; and any one or more of the said Justices or Commissioners may examine such person so summoned, concerning the value of such house, building, or ground, or other matter relating to the assessment; and such examination shall be taken down in writing, in such manner as the Justices or Commissioners may order: and in case the answers of such person so examined shall appear to the said Justices or Commissioners to be evasive or untrue; or in case the party summoned shall refuse to answer any lawful question of the said Justices or Commissioners, or any one of them, or shall be proved to have refused to receive, or to have wilfully destroyed, defaced, or unlawfully detained any Bill, Summons, or Notice of Demand served upon him, with intent to evade being lawfully rated to the full amount of any of the said taxes due from him, or with intent to avoid or delay payment thereof; or shall be proved knowingly, or through gross negligence, to have given any false information, either verbally or in writing, to the said Justices or Commissioners, or any of them, or any of their Assessors or Officers, whereby they or any Assessor or person employed by them shall be misled in making any assessment; or in case the party summoned shall refuse, or without lawful excuse neglect to

appear before the said Justices or Commissioners, in pursuance of such summons; such person shall, for any of the above-mentioned offences, be liable to such penalty, not exceeding one hundred rupees, as shall be set on him by the said Justices or Commissioners, or any one of them, and such penalty shall be recovered under a warrant to be issued for that purpose by the said Justices or Commissioners, or any one of them, by distress and sale of any Goods and Chattels within the Town belonging to the person liable to pay or make good the said penalty: and every such warrant of distress may be in the form (G.) contained in the second Schedule annexed to this Act or to the like effect.

XLVII. All arrears of taxes and penalties due under the said Statute 33 George III., Act XVI. of 1847, and this Act, and the costs and charges of recovering the same, may be recovered at any time after the day on which the person liable to pay such arrears has been summoned to appear before the Commissioners, or any one or more of them, as provided by Section XLIV. of this Act, under a warrant to be issued for that purpose, under the hand and seal of one of the said Commissioners, by distress and sale of any goods and chattels within the Town of Calcutta, belonging to the person liable to make good or pay the same, or being at any time within the house or building, or upon the ground in respect of which any such assessment is made: and every such Warrant of Distress may be in the form (E) contained in the second Schedule annexed to this Act, or to the like effect.

XLVIII. The Bailiff shall make an inventory of all goods and chattels seized under any warrant, and shall give a notice in writing in the form (F) contained in the second Schedule annexed to this Act, or to the like effect, to the person in possession thereof at the time of the seizure, that the said goods and chattels will be appraised and sold in manner therein mentioned.

XLIX. If the warrant is not in the mean time discharged or suspended by one or more of the said Commissioners, the goods and chattels seized shall be appraised and sold, and the proceeds thereof shall be applied in discharge of the arrears, or penalty, and costs, and the surplus, if any, shall be returned, on demand, to the person in possession of the goods and chattels at the time of the seizure; and the fees upon every such proceeding shall be such as are mentioned and set forth in the third Schedule annexed to this Act.

L. Instead of proceeding by distress and sale, or in case of failure to realize by distress the whole or any part of the rates, taxes, or penalties under the said Statute 33 Geo. III., Act XVI. of 1847, or this Act, the Commissioners, or any one or more of them, if they think fit, may authorize any Collector or other person to sue the person liable to pay such rates, taxes, or penalties for any arrears of such rates, taxes, or penalties, in the Calcutta Court of Small Causes; and all such suits may be prosecuted by such Collector or other person in the name of the Commissioners; and the costs, if any, incurred in any such suit, which are not recovered in the suit, may be defrayed out of the taxes levied under this Act.

LI. When any Bill, Notice of Demand, Summons, or other proceeding of any kind whatsoever with respect to any Taxes under the said Statute, Act XVI. of 1847, or this Act, is to be issued to

the owner of any premises, if his name be not certainly known, it shall be sufficient to address such proceeding to him by the description of the "Owner" of the premises (naming or describing them) in respect of which such proceeding is issued, without further name or description of such owner, and such proceeding may be duly served as hereinafter mentioned; and every Bill, Notice, Summons, or Notice of Demand, may be served personally upon the person to whom the same is addressed, or left with his door-keeper, or some inmate of his place of abode; and when any person shall, by keeping his place of abode or business closed, or by absconding, or by violence or threats, prevent any Officer or Servant of the said Commissioners from serving any Bill, Notice, Summons, or Notice of Demand, as herein directed, such Bill, Notice, Schedule, Summons, or Notice of Demand, shall be duly served, by fixing the same conspicuously on some part of the outer wall, gate, or door of the house or place of business, or of the enclosure in which it stands. In case the place of abode of the Owner be not within the limits of the said Town, it shall be sufficient for the Commissioners to transmit any Bill, Notice, Summons, or Notice of Demand, directed to him by name through the Post, or to serve the same upon the occupier of the premises assessed, or upon the Agent (if any) of such owner.

LII. No distress levied under the authority of this Act shall be unlawful, nor shall any party making the same be deemed a trespasser on account of any defect or want of form in the Notice, Bill, Summons, Notice of Demand, Warrant of Distress, Inventory, or other proceeding relating thereto, nor shall he be a trespasser from the beginning on account of any irregularity afterwards committed by him.

LIII. The said Commissioners shall, from time to time, subject to the approval of the Governor of the Presidency of Fort William in Bengal, make rules for regulating their proceedings under this Act, and for the regulation of the time and manner of demanding and collecting the taxes specified in this Act, and for altering any of the forms set forth in the Schedules hereunto annexed, and the said Justices shall, from time to time, subject to the like approval, make Rules for regulating their proceedings under this Act, and for the regulation of the time and manner of assessing the rates specified in this Act.

LIV. The goods and chattels of the owner of any house, building, or ground rated under the said Statute 33 George III., Chapter LII., Section 158, Act XVI. of 1847, or this Act, shall be liable to be distrained anywhere (except goods and chattels concealed as hereinafter mentioned), for deficiency in the payment of rates; and it shall not be necessary in any assessment, rate or tax, or warrant of distress under the said Statute, Act XVI. of 1847, or this Act, to specify the names of the owners of houses, buildings, or grounds; but it shall be sufficient if the house, building, or ground, in respect of which the tax is assessed, be identified, and in the case of houses numbered in any street, that the name of the street and the number of the house be specified.

LV. All goods and chattels, which shall be found upon any premises rated, shall be liable to be distrained for any arrears of rates or taxes assessed in respect thereof; and, if the said goods and chattels belong to the occupier of such premises, such occupier may deduct the amount of the levy

made upon his goods and chattels, or of any payment made by him in order to prevent such levy, from the following payments of his rent. If they belong to any person other than the occupier of the premises, or if no further rent is payable by such occupier, he may in such case recover the amount so paid or levied, by suit in the Calcutta Court of Small Causes, from the owner of the premises, as for money paid on his behalf.

LVI. Every person shall be entitled to have from the Secretary to the Commissioners, on application at their Office, and on payment of a fee of four annas, a certificate, specifying the last quarter in respect of which the taxes on account of any house, building, or ground are paid.

LVII. When there is reason to believe that goods and chattels, liable to distress under the said Statute, Act XVI. of 1847, or this Act, are concealed in any zenana, the officer charged with the execution of the warrant shall make a special report to the Commissioner granting the same, who shall thereupon follow, as closely as may be, the rules for the seizure of goods and chattels in like cases adopted by Her Majesty's Supreme Court of Judicature.

LVIII. Every person who wilfully obstructs or molests the said Commissioners, or any one of them, or their Secretary, or any of their Officers or servants in the performance of their respective duties, under the said Act of Parliament, Act XVI. of 1847, or this Act, shall be liable, on summary conviction before a Justice of the Peace, on his own confession, or the oath of one or more witnesses, to forfeit and pay a penalty not exceeding fifty rupees.

LIX. The Commissioners or any one of them may sue and be sued at Law and Equity in the name of their Secretary for the time being, and no action or suit to be brought or commenced by, or against such Secretary in manner aforesaid, shall abate or be discontinued by the death, resignation, or removal of such Secretary; and no execution shall issue or be had in any such action or suit against such Secretary until six months' notice shall have elapsed after final judgment in such action or suit shall have been obtained, and every such Secretary, in whose name or by or against whom any such action or suit shall be brought, commenced, or sued, shall be fully reimbursed and paid all such costs, charges, damages, and expenses as by the event or in consequence of any action, suit, or proceeding he shall pay, sustain, or be put unto or become chargeable with, or liable to by reason of his being plaintiff or defendant as aforesaid, or of his name being used as aforesaid, by and out of the funds under the control of the Commissioners; and if any person against whom the Commissioners shall have any claim or demand, take the benefit of, or become subject as an insolvent to the operation of any Act for the Relief of Insolvent Debtors, the Secretary of the Commissioners in all proceedings in the insolvency may represent the Commissioners and act in their behalf in all respects as if such claim or demand had been the claim or demand of such Secretary, and not of the Commissioners.

LX. The Secretary of the Commissioners being the plaintiff, prosecutor, or defendant or otherwise acting in any action, suit or proceeding as aforesaid, shall be competent to be a witness therein, in the same manner as he might have been if his name had not been made use of as the

plaintiff, defendant, or otherwise in any such action, suit, or proceeding.

LXI. No writ or process shall be issued out against or served upon any Commissioner, or any Secretary, Surveyor, or other Officer, or person whomsoever acting under the direction of the Commissioners, for anything done or intended to be done under the powers of this Act, until the expiration of one month next after notice in writing shall have been delivered to him or left at his Office or place of abode, explicitly stating the cause of action, and the name and place of abode of the intended plaintiff, and of his Attorney or Agent in the cause; and upon the trial of any such action, the plaintiff shall not be permitted to go into evidence of any cause of action except such as is stated in the notice so delivered, and unless such notice be proved, the Court shall find for the defendant; and every such action shall be brought or commenced within three calendar months next after the accrual of the cause of action, and not afterwards; and if any party shall have committed any irregularity, trespass, or other wrongful proceedings in the execution of this Act or by virtue of any power or authority hereby given, and if before action brought in respect thereof, such party shall make tender of sufficient amends to the party injured, such last-mentioned party shall not recover in any such action when brought, and if no such tender shall have been made, it shall be lawful for the defendant in such action, by leave of the Court where such action shall be pending, at any time before issue joined, to pay into Court such sum of money as he shall think fit, and thereupon such proceedings shall be had as in other cases, where defendants are allowed to pay money into Court.

LXII. No matter or thing done, or contract entered into by the Commissioners, or any one of them, or by any Secretary, Surveyor, or other Officer or person whomsoever, acting under the direction of the Commissioners, shall, if the matter or thing were done, or the contract were entered into *bond fide*, for the purpose of executing this Act, subject them or any of them personally to any action, liability, claim or demand whatsoever; and any expense incurred by any such Commissioner, Secretary, Surveyor, or other Officer or person acting as last aforesaid, shall be borne and repaid out of the funds under the control of the Commissioners.

LXIII. In any such action as aforesaid the defendant may plead the general issue, and give this Act, and any special matter in evidence on the trial.

LXIV. If in any such action judgment be given for the defendant, or if the plaintiff be nonsuited or discontinue the said action, the defendant shall be entitled to his costs as between attorney and client, and shall have such remedy for recovery thereof as any defendant has for his costs in any other case by law.

LXV. The whole proceeds of the said taxes, after paying all salaries, establishments, and incidental expenses of the said Commissioners, shall, with such moneys as the Governor of the Presidency of Fort William in Bengal, with the sanction of the Governor General of India in Council, may direct to be paid to the said Commissioners, be applied by them to the following purposes, that is to say,—

1stly,—Cleansing, repairing, lighting and watering the roads and streets.

2ndly,—Constructing new drains and sewers, and cleansing and repairing or filling up and abolishing old drains and sewers.

3rdly,—Filling up stagnant pools of water, holes in the earth, and all receptacles for filth and rubbish, and removing obstructions in or on the roads and to the free circulation of air.

4thly,—Formation of tanks and aqueducts for the conveyance of water to all parts of the Town.

5thly,—Opening of streets and squares in crowded parts of the Town.

6thly,—Improving and embellishing the said Town generally.

LXVI. In construing this Act all words used in the singular number shall be held to include several persons and things, and words in the plural shall be held to include the singular number, and all words importing the masculine gender shall extend and be applied to females as well as males, unless there is something in the context inconsistent with such construction.

FRED. JAS. HALLIDAY,
Secy. to the Govt. of India.

Fort William, Home Department, Legislative,
the 13th February, 1852.

The following Act, passed by the Governor
General of India in Council on the 13th February
1852, is hereby promulgated for general infor-
mation :

ACT No. XI. OF 1852.

**An Act for the adjudication of Titles to certain
Estates claimed to be wholly or partially Rent-
free in the Presidency of Bombay.**

Whereas in the Territories of the Deccan,
Kandéish, and Southern Mahratta Country, and
in other Districts more recently annexed to the
Bombay Presidency, claims against Government
on account of Inams and other Estates wholly
or partially exempt from payment of Land Re-
venue are excepted from the cognizance of the
ordinary Civil Courts, and incapable of being
justly disposed of under the Rules for the deter-
mination of Titles, and the Rules of Procedure
contained in Chapters IX. and X. of Regulation
XVII. of 1827 of the Bombay Code and their
Supplements; and whereas it is desirable that
the said claims should be tried and determined

without further delay, It is declared and enacted as follows :

I. The Rules in Chapters IX. and X. of Regulation XVII. of 1827 and in Clause 1 of Regulation VI. of 1833 of the Bombay Code do not apply to any of the Districts of the Bombay Presidency, which were not brought under the General Regulations of Government by Regulation XXVIII. of 1827 of the Bombay Code ; and no order hitherto passed regarding the continuance or resumption of lands in any of the said Districts held or claimed from Government as wholly or partially free of assessment, shall be liable to be questioned in any Court of Law, on the grounds of any interpretation or construction of the law, which may be inconsistent with the declarations made and the Rules prescribed by this enactment.

II. The Governor of Bombay in Council may appoint in any Zillah or other division of the Territories subject to the Presidency of Bombay, which were not brought under the General Regulations of Government by the said Regulation XXVIII. of 1827, an Inam Commissioner with so many Assistants, and such subordinate Establishment, as may be necessary for the purposes hereinafter mentioned.

III. The duties of each Inam Commissioner and his Assistants shall be discharged according to the Rules in Schedule A. annexed to this Act.

IV. In the adjudication of claims to exempt lands or interests therein, the titles of claimants shall be determined by the Rules in Schedule B. annexed to this Act.

V. Each Inam Commissioner and his Assistants shall have the same authority to procure the attendance of witnesses, and to take evidence, as now is, or from time to time may be, by law vested in the ordinary Civil Courts ; and so far as concerns the penalties for not giving evidence, for false testimony, for resistance of process, contempts and other like matters, connected with cases under cognizance by any one of the said Officers, his Office shall be held to be a Court of Civil Jurisdiction of the same authority as the superior Civil Court of the Zillah or District in which his Office from time to time shall be established. Provided that all complaints against, or appeals from the proceedings of the Inam Commissioner or any of his Assistants, in exercise of the authority conferred on them respectively by this Section, shall be made under the second Rule of Schedule A. annexed to this Act, and shall not be cognizable by any other authority or in any other manner than as therein specified.

VI. Bribery, extortion, and generally all acts of abuse, or misapplication of authority, or other misconduct, committed by any Officer belonging to the Establishment of the Inam Commission, or temporarily employed therein under the provisions of this enactment, shall be punishable as criminal offences with fine and ordinary imprisonment without labour for a period not exceeding five years, and the receipt of a present directly or indirectly, by any such Officer from any person against whom or in whose behalf he may be officially employed, shall be considered extortion. And no penalty or punishment adjudicated under this Clause shall preclude any other Civil prosecution to which the offender may be liable.

VII. No decision or order of the Inam Commissioner, or of any of his Assistants, or of the Government in Council under the provisions of this enactment, so long as the same shall be in force

under such provisions, shall be questioned or avoided in any Court of Law ; and no Commissioner or Assistant Commissioner, or other person acting under the provisions of this Act shall be liable to be sued in any Civil Court for any act *bonâ fide* done or ordered to be done by him in pursuance of the said provisions.

SCHEDULE A.

Rules for defining the Duties of each Inam Commissioner and his Assistants.

1. The duty of the Inam Commissioner and his Assistants shall be to investigate, in the manner prescribed by this enactment, the titles of persons holding or claiming against Government the possession or enjoyment of Inams, or Jagheers, or any interest therein, or claiming exemption from the payment of Land Revenue, and generally to act according to the instructions of Government in all matters not specifically provided for in this enactment.

2. All orders of the Assistant Commissioners shall be appealable to the Inam Commissioner, who shall also have the authority of revising and of modifying, reversing or annulling, if necessary, their orders and proceedings, and the orders and proceedings of the Inam Commissioner shall be in like manner appealable to, and subject to modification, reversal, or annulment by the Governor of Bombay in Council, whose orders shall in every case be final.

3. The Inam Commissioner or his Assistants shall receive from the persons holding or claiming to hold lands or any interest therein exempt from the payment of Revenue, statements explaining the nature of the title by which the lands or interests are so held, and shall take and record the evidence offered in support of such statements.

4. These statements may be received, either directly by the Officers of the Inam Commission, or through the medium of the Revenue Authority of the Talooka in which the land or interest so held or claimed as exempt is situated, or in which the alleged proprietor resides, without any previous procedure, except a general invitation to such landholders of a District who shall hold or claim to hold lands exempt as aforesaid to state the nature of their titles.

5. But when such general invitation is not sufficiently attended to, a notice may be issued to any party holding or claiming to hold any lands or any interest therein wholly or partially exempt as aforesaid, requiring him personally, or by his Agent, to shew his title. The notice issued in such cases shall state the nature of the investigation which is intended, and shall call upon the alleged proprietor of the exempt lands or interest held or claimed to be held exempt as aforesaid, to attend, either personally or by an authorized Agent, at a specified place, and within a specified period (which shall never be less than two months from the date of the notice being served), to explain the nature of his title to hold such lands, or interest exempt as aforesaid, and to produce all the evidence forthcoming to prove it. The notice shall further explain that a failure to comply with its terms will render the land, or interest to which it relates, liable to attachment.

6. The notice shall be served upon the party holding or claiming to hold the land or interest exempt as aforesaid, or, if his place of residence be not known, upon the person acting for him, or in default of such, upon the person in charge of the land or interest.

7. If such persons cannot be found, a notice shall be posted in the Office of the Native Revenue Officer of the District, and in the Chouree, or most public place of the village, where the land or interest under inquiry is situated, calling on any person who may claim as proprietor, to appear, either personally or by his Agent, to prove his title within six months from the date of the notice, under penalty of the attachment of the land or interest, and on failure of the appearance of a claimant, the land or interest shall be liable to attachment.

8. The attachment provided for by Rules 5 and 7 shall be enforced by the Collector or Chief Revenue Authority of the District in which the land to which it relates is situated, at the written requisition of the Inam Commissioner, or his Assistant, which shall be a sufficient warrant to the Collector for the attachment of the land, and for the collection of the rents accruing therefrom on account of Government during its attachment.

9. As soon as possible after the receipt of the statements in each District, and of the evidence by which they are supported, they shall be tested by the entries in the Government accounts and State records, and by any other evidence procurable, whether in favor of Government or of the claimants, and decisions shall then be passed on them as to the continuance, resumption, or full or partial assessment of the lands.

10. In cases where the notices provided for in Sections 5 and 7 fail to procure the attendance of the persons to whom they are addressed, and no claimant appears to prosecute his claim, the Commissioner or Assistant Commissioner shall proceed to ascertain the facts of the case from such evidence as may be forthcoming or procurable, and shall pronounce such decision thereupon as to him shall seem just regarding the lands or interests to which the notices referred.

11. An attachment enforced under Rule 8 shall be removed by the Collector or Chief Revenue Authority by whom it was made, on receipt of a communication from the Inam Commissioner or his Assistant, certifying that he considers the attachment to be no longer necessary; but the rents collected from the land during its attachment shall in no case be restored to the alleged proprietor, except under the general or special instructions of Government.

12. Certified copies of decisions made according to the provisions of Rule 9, shall be delivered, as soon as possible after each decision is passed, to the persons on whose claims the decisions shall have been pronounced, or their agents; and copies of all decisions made in the absence of any claimant, according to the provisions of Rule 10, shall be sent to the Mamlutdar, or other Revenue manager of the Talook in which the lands to which they relate are situated, who shall deliver them to the parties affected by them, should they be discoverable, or otherwise cause them to be publicly posted in the village to which the lands in question belong.

13. Decisions, affecting any lands or any interests therein, passed under this enactment, shall be carried into execution by the Collector or Chief Revenue Authority of the District in which the lands to which they relate are situated, at the requisition of the Inam Commissioner or his Assistant, in any manner which may, from time to time, be prescribed by the Governor of Bombay in Council.

14. In all cases where a person may be desirous of appealing against any decision of the Inam Commissioner or his Assistants, he shall apply by a petition, addressed to the authority by whom, according to Rule 2, his appeal is cognizable, which petition shall be presented to such authority within one hundred days from the date of the decree appealed against, a copy of which must accompany the petition of appeal, and no appeal which is not so made shall be admitted, without proof of the existence of a just and necessary cause for its not having been preferred in due time; and it is hereby provided, that no decree passed by the Inam Commissioner or any of his Assistants, shall be liable to be set aside for want of form in the proceedings, but only for matters affecting the justice of the decision.

SCHEDULE B.

Rules for the adjudication of Titles to Estates claimed as Inam or exempt from payment of Land Revenue.

1. All lands held under a specific and absolute declaration by the British Government, or any competent Officer acting under it, that they were to be continued hereditarily or in perpetuity exempt, wholly or partially, from the payment of Revenue, are to be so continued according to the purport of such declaration.

Provision 1st.—If any question shall arise as to the competency of the Officer to make or give such declaration as aforesaid, the Commissioner or Assistant Commissioner is to suspend his judgment, and report the circumstances of the case to the Governor of Bombay in Council, to whom power is hereby reserved of determining finally whether such Officer was competent to make or give such declaration, and the Commissioner or Assistant Commissioner, upon receiving the determination of the said Governor in Council, shall decide accordingly.

2. Any land held under a sunnud declaring it to be hereditary, shall be so continued according to the terms of the sunnud.

Provision 1.—Provided that the grant was either made, or specifically recognized, by authority competent to alienate Government Revenue in perpetuity, the question of which recognition and competency is to be referred to and determined by Government in the manner prescribed by Provision 1st, Rule 1.

Provision 2nd.—And provided that there be nothing in the conditions of the tenure which cannot be observed without a breach of the laws of the land, or the rules of public decency.

Provision 3rd.—And provided that the grant was not afterwards revoked or disallowed, or an alteration of its terms ordered or recognized by a competent authority.

3. All lands uninterruptedly held as wholly or partially exempt from assessment for a period of sixty years before the introduction of the British Government, and then in the authorized possession of a grandson in male descent, or male heir of the body of such grandson of the original grantee, shall continue to be so held so long as there shall be in existence any male heir of the body of the person who was incumbent at the introduction of the British Government.

tracing his lineage from such incumbent through male heirs only.

4. All lands, uninterruptedly held as wholly or partially exempt from assessment, for a period of forty years before the introduction of the British Government, and then in the authorized possession of a son, or male heir of the body of a son of the original grantee, are to be continued for one succession further than that of the person who was incumbent at the introduction of the British Government, that is, until the death of his last surviving son.

Provision 1st.—The authorized possession contemplated by Rules 3 and 4 does not involve the necessity of proving any specific authority from, or recognition by, the Government or Paramount Power. The mere entry of the holding, as continued in the genuine accounts of the District Officers (even in those not audited and passed by the Government of the time being), will be sufficient to bring it under the heads of “uninterrupted” and “authorized” so far as regards the purposes of this Rule; provided only that there are no entries in the Collectorate accounts, which shew that the holding of such lands exempt as aforesaid must have been unauthorized by the Government or Paramount Power.

Provision 2nd.—If there be not evidence forthcoming to disprove a claimant's assertion that his holding has been undisputedly enjoyed for the number of years and descents requisite to fulfil the conditions of Rules 3 and 4 respectively, his prescriptive right shall be admitted.

Provision 3rd.—The introduction of the British Government is to be reckoned from the time the East India Company became the Government or Paramount Authority over each District as regards its Inams. In the Territories ceded by or conquered from the Peshwa, therefore, whether Khalsat Mahals or Serinjams, &c., held exclusive of Inams, &c., the introduction of the British Government will date from the close of that of the Peshwa. But in case of the lapse of an independent Principality, or of a Jagheer more ancient than the Peshwa's Government, and over the Inams of which he did not claim any authority, the introduction of the British Government should be reckoned only from the date at which the general management of the Districts may have come into the hands of the Company, and in case any question shall arise as to the precise date when the East India Company became the Government over any district, or when the general management of any district came into their hands, such question shall be referred to and determined by Government in the manner prescribed by Provision 1st, Rule 1.

6. Land held as wholly exempt from payment of Revenue, or on partial assessment, the possession of which is not continuable under the preceding Rules, is to be resumed on the demise of the incumbent.

Provision 1st.—In case the incumbent at the time of the introduction of the British Government may have died, the permission to hold for life is to be extended to the person in whose name the land may be continued when the investigation is commenced, if there be no fraud apparent, nor other reason for withholding this indulgence.

Provision 2nd.—When land is evidently held by fraud recently committed, (as when an Inam which was resumed under the late Government has been resumed under the present Government with-

out authority, or as when a pretended Inam is found to have originated since the introduction of this Government with the connivance of District or Village Officers), it shall be at once resumed, not being continuable under this or any of the preceding Rules.

7. All lands held for the support of Mosques, Temples, or similar Institutions, of the permanent character of which there can be no doubt, are to be continued permanently, even though their permanent continuance may not have been expressly provided for when they were granted.

Provisions 1st, 2nd and 3rd.—The same as the corresponding Provisions of Rule 2 of this Schedule in those cases in which Title Deeds or other Records proving the circumstances of the original grant, or its specific recognition by competent authority, are forthcoming.

Provision 4th.—When there is no proof forthcoming to shew whether or not an Inam, coming under the Provisions of this Rule, was granted, or even specifically recognized by a competent authority, still, if it has been undisputedly enjoyed for a period of forty years before the introduction of the present Government, it shall be permanently continued, and enjoyment proved by the mere entry of the Inam, as continued in genuine accounts of the District Officers, (even in those not passed by the Government of the time being,) is to be considered sufficiently “uninterrupted” to give an Inam the benefit of this provision, if there be no entries in the Government accounts which shew that it must have been unauthorized by them.

Provision 5th.—If the forthcoming Records do not go far enough back to test the existence of enjoyment of the duration contemplated in Provision 4th as establishing full prescriptive title in such Inams, still, if so far as they do go they are not opposed to the claimant's assertion that sufficient enjoyment has taken place, the prescriptive title of the Inam shall be admitted according to his assertions, unless there be other evidence forthcoming to disprove them.

Provision 6th.—The peculiar advantages of this Rule shall not apply to the holdings of individuals in their own names for the performance of ceremonial worship, claims to which must be decided under the Rules for personal claims.

Provision 7th.—When claims of the denomination coming under this Rule are found to be unsupported by proof of original valid title, and are proved void of sufficient prescriptive enjoyment, they are to be adjudicated according to Rule 6.

8. All lands authorizedly held by an official tenure which it is evident from local usage was meant to be hereditary, and has been so considered heretofore, even though there be no sunnuds declaring it to be so,—for instance, Inams which form the authorized emoluments of any hereditary office, as of Kazees, Village Joshees, &c., and are not merely personal,—are to be continued permanently.

Provisions 1st, 2nd and 3rd.—The same as the corresponding Provisions of Rule 2 of this Schedule in those cases in which Title Deeds or other Records, proving the circumstances of the original grant, or its specific recognition by competent authority, are forthcoming.

Provision 4th.—When there is no proof forthcoming to shew whether or not an Inam, coming

under the provisions of this Rule, was granted or even specifically recognized by competent authority, still if it has been undisputedly enjoyed as an official and not merely personal holding, from the earliest period to which the forthcoming evidence does relate, it shall be continued permanently as official emolument, unless the claimant's own statement renders this course improper.

Provision 5th.—The provisions of this Rule are not in any way to apply to emoluments continued for service performed to the State, as the Service Wuttuns of Desaees, Surdesaees, Nargowdas, Deshpandes, Patells, Coolkurnees, Mhars, Tulwars, whose claims are to be disposed of according to the Rules which are or may be established for the regulation of such holdings.

Provision 6th.—It is to be understood that mere length of enjoyment of land as Inam by an official person is not of itself sufficient to entitle a claim to be brought under this Rule.

Provision 7th.—If a holding, claimed under this Rule, be found incapable of permanent continuance under it, the claimant shall be allowed the advantages of any of the preceding Rules of this Schedule which may be applicable to his case.

9. On the resumption of any lands under the Rules of this Schedule, a moiety, or other portion may be continued to the Widows of the last incumbents during their lives, in cases of proved poverty and destitution.

Provision 1st.—In the case of a holding, which is recognizable as an hereditary personal Inam, the widow of a proprietor who dies without surviving male issue, or other heirs to whom his Inam will of necessity descend, is by right his sole heir, and during her life, the Inam cannot be regarded as having lapsed to Government: it should therefore, in such a case be continued undiminished during the widow's life.

10. These Rules shall not be necessarily applicable to Jageers, Serinjams, or other tenures for service to Government, or tenures of a Political nature, the titles and continuance of which shall be determined as heretofore under such Rules as Government may find it necessary to issue from time to time.

11. Any of these Rules may be relaxed in favor of claimants under instructions from the Governor of Bombay in Council, in whom shall also be vested the power of interpreting the precise meaning of any of the Rules respecting which a question may arise.

The following Draft of a proposed Act was read in Council for the first time on the 6th February 1852.

ACT NO. — OF 1852.

An Act to amend the Law regarding the taking of Mochulkas or Penal Recognizances in the Presidencies of Madras and Bombay.

I. Whereas it is expedient to amend the law relating to the taking of Mochulkas or Penal Recognizances in the Presidencies of Madras and Bombay, It is hereby enacted as follows: Section V. Regulation IV. of 1827,* of the Madras Code, is repealed.

II. In the territories subject to the Presidencies of Madras and Bombay, it shall be lawful for the Magistrates to take Mochulkas or Penal Recognizances in the form annexed to this Act, as well from British subjects as from other persons, in all cases wherein it may appear just and necessary to require the same for the maintenance of the peace in their respective jurisdictions, although the party to be bound in such recognizances may not have been convicted of any specific offence; provided that the amount of the recognizance in all such cases shall be proportionate to the condition in life of the said party, and to the circumstances of the case.

III. In cases of an aggravated nature, wherein it may appear necessary to require security for keeping the peace in addition to the recognizance of the party, it shall be lawful for such Magistrates to direct the same, and to fix a reasonable amount for the security bond, to be executed in the form annexed to this Act by the surety or sureties.

IV. Whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace, with or without additional security, need not exceed one year, it shall be lawful for him, without reference to superior authority, to give directions accordingly, and in default of such recognizance or additional security, to commit the party to prison in the Civil Jail until he shall do what has been required.

V. Whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace, with or without additional security, ought to exceed the period of one year, the Magistrate shall record his opinion to that effect, with an order specifying the amount of recognizance and security, as well as the number of sureties which should in his judgment be required, and the period for which the recognizance and security should be required, which however shall in no case exceed three years. If the party shall not furnish the recognizance and security so required, the proceedings shall be laid before the Sessions Judge, who, after examining them and calling for any further information which he may think necessary, shall pass orders on the case, confirming, modifying, or annulling the orders of the Magistrate; and if the orders so passed by the Sessions Judge confirm to any extent the requisition for recognizance or securities, the Sessions Judge shall direct the Magistrate to commit the party to prison in the Civil Jail until he shall do what has been required of him.

VI. Provided always, that no party shall be kept in prison under the foregoing provisions of this Act for a longer period than that for which the recognizance and securities have been required from him.

VII. The Magistrate may at his discretion, discharge recognizances and securities for keeping the peace taken by himself, and may order the release of persons confined under his own order for default in entering into such recognizances, or giving such securities.

VIII. Sureties for the peace shall at all times be discharged from further responsibility on delivering up to the proper Magistrate or Police Officer the persons for whom they have become responsible.

IX. Whenever it may be proved before the Magistrate that any such recognizance has been forfeited, he shall proceed to enforce the penalty of such recognizance in the mode prescribed for the satisfaction of decrees of the Civil Court.

X. Whenever it may be proved before the Magistrate that any such recognizance has been forfeited, if a security bond shall have been taken, and the Magistrate shall think that proceedings should be had upon such bond, he shall give notice to the surety or sureties to pay the penalty, or to show cause why it should not be paid, and if no sufficient cause shall be shown, the Magistrate shall proceed to recover the penalty from such surety or sureties by the attachment and sale of any of his or their property, in the mode prescribed for the attachment and sale of property in satisfaction of decrees of the Civil Court, and if the penalty be not paid, and cannot be recovered by such attachment and sale, such surety or sureties shall be liable to confinement by order of the Magistrate, in the Civil Jail of the station, during a period not exceeding six months.

XI. All sentences and orders passed under this Act shall be appealable, subject to the general provisions which regulate appeals.

XII. In the Territories subject to the said Presidencies, all Mochulkas and Security Bonds which by force of any Act or Regulation may be taken by Criminal Courts of the East India Company, or by Magistrates, for keeping the peace or for good behaviour, may be enforced in the manner prescribed by Sections IX. and X. of this Act.

XIII. Nothing in this Act contained shall be construed so as to repeal or otherwise affect the provisions of Sections XXIV. XXV. and XXVI. of Regulation XII. of 1827, of the Bombay Code, with respect to the recognizances or securities which may be taken for securing the attendance of witnesses and of the offenders therein mentioned.

SATURDAY, FEBRUARY 21, 1852.

Fort William, Home Department, Legislative,
the 13th February, 1852.

The following Act, passed by the Governor General of India in Council on the 13th February 1852, is hereby promulgated for general information:

ACT No. XI. OF 1852.

An Act for the adjudication of Titles to certain Estates claimed to be wholly or partially Rent-free in the Presidency of Bombay.

Whereas in the Territories of the Deccan, Kandeish, and Southern Mahratta Country, and in other Districts more recently annexed to the Bombay Presidency, claims against Government on account of Inams and other Estates wholly or partially exempt from payment of Land Revenue are excepted from the cognizance of the ordinary Civil Courts, and incapable of being justly disposed of under the Rules for the determination of Titles, and the Rules of Procedure contained in Chapters IX. and X. of Regulation XVII. of 1827 of the Bombay Code and their Supplements; and whereas it is desirable that the said claims should be tried and determined without further delay, It is declared and enacted as follows:

I. The Rules in Chapters IX. and X. of Regulation XVII. of 1827 and in Clause 1 of Regulation VI. of 1833 of the Bombay Code do not apply to any of the Districts of the Bombay Presidency, which were not brought under the General Regulations of Government by Regulation XXVIII. of 1827 of the Bombay Code; and no order hitherto passed regarding the continuance or resumption of lands in any of the said Districts held or claimed from Government as wholly or partially free of assessment, shall be liable to be questioned in any Court of Law, on the grounds of any interpretation or construction of the law, which may be inconsistent with the declarations made and the Rules prescribed by this enactment.

II. The Governor of Bombay in Council may appoint in any Zillah or other division of the Territories subject to the Presidency of Bombay, which were not brought under the General Regulations of Government by the said Regulation XXVIII. of 1827, an Inam Commissioner with so

many Assistants, and such subordinate Establishment, as may be necessary for the purposes hereinafter mentioned.

III. The duties of each Inam Commissioner and his Assistants shall be discharged according to the Rules in Schedule A. annexed to this Act.

IV. In the adjudication of claims to exempt lands or interests therein, the titles of claimants shall be determined by the Rules in Schedule B. annexed to this Act.

V. Each Inam Commissioner and his Assistants shall have the same authority to procure the attendance of witnesses, and to take evidence, as now is, or from time to time may be by law vested in the ordinary Civil Courts, and so far as concerns the penalties for not giving evidence, for false testimony, for resistance of process, contempts and other like matters, connected with cases under cognizance by any one of the said Officers, his Office shall be held to be a Court of Civil Jurisdiction of the same authority as the superior Civil Court of the Zillah or District in which his Office from time to time shall be established. Provided that all complaints against, or appeals from the proceedings of the Inam Commissioner or any of his Assistants, in exercise of the authority conferred on them respectively by this Section, shall be made under the second Rule of Schedule A. annexed to this Act, and shall not be cognizable by any other authority or in any other manner than as therein specified.

VI. Bribery, extortion, and generally all acts of abuse, or misapplication of authority, or other misconduct, committed by any Officer belonging to the Establishment of the Inam Commission, or temporarily employed therein under the provisions of this enactment, shall be punishable as criminal offences with fine and ordinary imprisonment without labour for a period not exceeding five years, and the receipt of a present directly or indirectly, by any such Officer from any person against whom or in whose behalf he may be officially employed, shall be considered extortion. And no penalty or punishment adjudicated under this Clause shall preclude any other Civil prosecution to which the offender may be liable.

VII. No decision or order of the Inam Commissioner, or of any of his Assistants, or of the Governor in Council under the provisions of this enactment, so long as the same shall be in force

under such provisions, shall be questioned or avoided in any Court of Law; and no Commissioner or Assistant Commissioner, or other person acting under the provisions of this Act shall be liable to be sued in any Civil Court for any act *bonâ fide* done or ordered to be done by him in pursuance of the said provisions.

SCHEDULE A:

Rules for defining the Duties of each Inam Commissioner and his Assistants.

1. The duty of the Inam Commissioner and his Assistants shall be to investigate, in the manner prescribed by this enactment, the titles of persons holding or claiming against Government the possession or enjoyment of Inams, or Jagheers, or any interest therein, or claiming exemption from the payment of Land Revenue, and generally to act according to the instructions of Government in all matters not specifically provided for in this enactment.

2. All orders of the Assistant Commissioners shall be appealable to the Inam Commissioner, who shall also have the authority of revising and of modifying, reversing or annulling, if necessary, their orders and proceedings, and the orders and proceedings of the Inam Commissioner shall be in like manner appealable to, and subject to modification, reversal, or annulment by the Governor of Bombay in Council, whose orders shall in every case be final.

3. The Inam Commissioner or his Assistants shall receive from the persons holding or claiming to hold lands or any interest therein exempt from the payment of Revenue, statements explaining the nature of the title by which the lands or interests are so held, and shall take and record the evidence offered in support of such statements.

4. These statements may be received, either directly by the Officers of the Inam Commission, or through the medium of the Revenue Authority of the Talooka in which the land or interest so held or claimed as exempt is situated, or in which the alleged proprietor resides, without any previous procedure, except a general invitation to such landholders of a District who shall hold or claim to hold lands exempt as aforesaid to state the nature of their titles.

5. But when such general invitation is not sufficiently attended to, a notice may be issued to any party holding or claiming to hold any lands or any interest therein wholly or partially exempt as aforesaid, requiring him personally, or by his Agent, to shew his title. The notice issued in such cases shall state the nature of the investigation which is intended, and shall call upon the alleged proprietor of the exempt lands or interest held or claimed to be held exempt as aforesaid, to attend, either personally or by an authorized Agent, at a specified place, and within a specified period (which shall never be less than two months from the date of the notice being served), to explain the nature of his title to hold such lands, or interest exempt as aforesaid, and to produce all the evidence forthcoming to prove it. The notice shall further explain that a failure to comply with its terms will render the land, or interest to which it relates, liable to attachment.

6. The notice shall be served upon the party holding or claiming to hold the land or interest exempt as aforesaid, or, if his place of residence be not known, upon the person acting for him, or in default of such, upon the person in charge of the land or interest.

7. If such persons cannot be found, a notice shall be posted in the Office of the Native Revenue Officer of the District, and in the Chouree, or most public place of the village, where the land or interest under inquiry is situated, calling on any person who may claim as proprietor, to appear, either personally or by his Agent, to prove his title within six months from the date of the notice, under penalty of the attachment of the land or interest, and on failure of the appearance of a claimant, the land or interest shall be liable to attachment.

8. The attachment provided for by Rules 5 and 7 shall be enforced by the Collector or Chief Revenue Authority of the District in which the land to which it relates is situated, at the written requisition of the Inam Commissioner, or his Assistant, which shall be a sufficient warrant to the Collector for the attachment of the land, and for the collection of the rents accruing therefrom on account of Government during its attachment.

9. As soon as possible after the receipt of the statements in each District, and of the evidence by which they are supported, they shall be tested by the entries in the Government accounts and State records, and by any other evidence procurable, whether in favor of Government or of the claimants, and decisions shall then be passed on them as to the continuance, resumption, or full or partial assessment of the lands.

10. In cases where the notices provided for in Sections 5 and 7 fail to procure the attendance of the persons to whom they are addressed, and no claimant appears to prosecute his claim, the Commissioner or Assistant Commissioner shall proceed to ascertain the facts of the case from such evidence as may be forthcoming or procurable, and shall pronounce such decision thereupon as to him shall seem just regarding the lands or interests to which the notices referred.

11. An attachment enforced under Rule 8 shall be removed by the Collector or Chief Revenue Authority by whom it was made, on receipt of a communication from the Inam Commissioner or his Assistant, certifying that he considers the attachment to be no longer necessary; but the rents collected from the land during its attachment shall in no case be restored to the alleged proprietor, except under the general or special instructions of Government.

12. Certified copies of decisions made according to the provisions of Rule 9, shall be delivered, as soon as possible after each decision is passed, to the persons on whose claims the decisions shall have been pronounced, or their agents; and copies of all decisions made in the absence of any claimant, according to the provisions of Rule 10, shall be sent to the Mamlutdar, or other Revenue manager of the Talook in which the lands to which they relate are situated, who shall deliver them to the parties affected by them, should they be discoverable, or otherwise cause them to be publicly posted in the village to which the lands in question belong.

13. Decisions, affecting any lands or any interests therein, passed under this enactment, shall be carried into execution by the Collector or Chief Revenue Authority of the District in which the lands to which they relate are situated, at the requisition of the Inam Commissioner or his Assistant, in any manner which may, from time to time, be prescribed by the Governor of Bombay in Council.

14. In all cases where a person may be desirous of appealing against any decision of the Inam Commissioner or his Assistants, he shall apply by a petition, addressed to the authority by whom, according to Rule 2, his appeal is cognizable, which petition shall be presented to such authority within one hundred days from the date of the decree appealed against, a copy of which must accompany the petition of appeal, and no appeal which is not so made shall be admitted, without proof of the existence of a just and necessary cause for its not having been preferred in due time; and it is hereby provided, that no decree passed by the Inam Commissioner or any of his Assistants, shall be liable to be set aside for want of form in the proceedings, but only for matters affecting the justice of the decision.

SCHEDULE B.

Rules for the adjudication of Titles to Estates claimed as Inam or exempt from payment of Land Revenue.

1. All lands held under a specific and absolute declaration by the British Government, or any competent Officer acting under it, that they were to be continued hereditarily or in perpetuity exempt, wholly or partially, from the payment of Revenue, are to be so continued according to the purport of such declaration.

Provision 1st.—If any question shall arise as to the competency of the Officer to make or give such declaration as aforesaid, the Commissioner or Assistant Commissioner is to suspend his judgment, and report the circumstances of the case to the Governor of Bombay in Council, to whom a power is hereby reserved of determining finally whether such Officer was competent to make or give such declaration, and the Commissioner or Assistant Commissioner, upon receiving the determination of the said Governor in Council, shall decide accordingly.

2. Any land held under a sunnud declaring it to be hereditary, shall be so continued according to the terms of the sunnud.

Provision 1.—Provided that the grant was either made, or specifically recognized, by authority competent to alienate Government Revenue in perpetuity, the question of which recognition and competency is to be referred to and determined by Government in the manner prescribed by Provision 1st, Rule 1.

Provision 2nd.—And provided that there be nothing in the conditions of the tenure which cannot be observed without a breach of the laws of the land, or the rules of public decency.

Provision 3rd.—And provided that the grant was not afterwards revoked or disallowed, or an alteration of its terms ordered or recognized by a competent authority.

3. All lands uninterruptedly held as wholly or partially exempt from assessment for a period of sixty years before the introduction of the British Government, and then in the authorized possession of a grandson in male descent, or male heir of the body of such grandson of the original grantee, shall continue to be so held so long as there shall be in existence any male heir of the body of the person who was incumbent at the introduction of the British Government,

tracing his lineage from such incumbent through male heirs only.

4. All lands, uninterruptedly held as wholly or partially exempt from assessment, for a period of forty years before the introduction of the British Government, and then in the authorized possession of a son, or male heir of the body of a son of the original grantee, are to be continued for one succession further than that of the person who was incumbent at the introduction of the British Government, that is, until the death of his last surviving son.

Provision 1st.—The authorized possession contemplated by Rules 3 and 4 does not involve the necessity of proving any specific authority from, or recognition by, the Government or Paramount Power. The mere entry of the holding, as continued in the genuine accounts of the District Officers (even in those not audited and passed by the Government of the time being), will be sufficient to bring it under the heads of "uninterrupted" and "authorized" so far as regards the purposes of this Rule; provided only that there are no entries in the Collectorate accounts, which shew that the holding of such lands exempt as aforesaid must have been unauthorized by the Government or Paramount Power.

Provision 2nd.—If there be not evidence forthcoming to disprove a claimant's assertion that his holding has been undisputedly enjoyed for the number of years and descents requisite to fulfil the conditions of Rules 3 and 4 respectively, his prescriptive right shall be admitted.

Provision 3rd.—The introduction of the British Government is to be reckoned from the time the East India Company became the Government or Paramount Authority over each District as regards its Inams. In the Territories ceded by or conquered from the Peshwa, therefore, whether Khalsat Mahals or Serinjams, &c., held exclusive of Inams, &c., the introduction of the British Government will date from the close of that of the Peshwa. But in case of the lapse of an independent Principality, or of a Jagheer more ancient than the Peshwa's Government, and over the Inams of which he did not claim any authority, the introduction of the British Government should be reckoned only from the date at which the general management of the Districts may have come into the hands of the Company, and in case any question shall arise as to the precise date when the East India Company became the Government over any district, or when the general management of any district came into their hands, such question shall be referred to and determined by Government in the manner prescribed by Provision 1st, Rule 1.

6. Land held as wholly exempt from payment of Revenue, or on partial assessment, the possession of which is not continuable under the preceding Rules, is to be resumed on the demise of the incumbent.

Provision 1st.—In case the incumbent at the time of the introduction of the British Government may have died, the permission to hold for life is to be extended to the person in whose name the land may be continued when the investigation is commenced, if there be no fraud apparent, nor other reason for withholding this indulgence.

Provision 2nd.—When land is evidently held by fraud recently committed, (as when an Inam which was resumed under the late Government has been re-occupied under the present Government with-

out authority, or as when a pretended Inam is found to have originated since the introduction of this Government with the connivance of District or Village Officers), it shall be at once resumed, not being continuable under this or any of the preceding Rules.

7. All lands held for the support of Mosques,

Regarding claims to Inams apparently permanent by the nature of the objects for which they are held, and not merely personal. Temples, or similar Institutions, of the permanent character of which there can be no doubt, are to be continued permanently, even though their permanent continuance may not have been expressly provided for when they were granted.

Provisions 1st, 2nd and 3rd.—The same as the corresponding Provisions of Rule 2 of this Schedule in those cases in which Title Deeds or other Records proving the circumstances of the original grant, or its specific recognition by competent authority, are forthcoming.

Provision 4th.—When there is no proof forthcoming to shew whether or not an Inam, coming under the Provisions of this Rule, was granted, or even specifically recognized by a competent authority, still, if it has been undisputedly enjoyed for a period of forty years before the introduction of the present Government, it shall be permanently continued, and enjoyment proved by the mere entry of the Inam, as continued in genuine accounts of the District Officers, (even in those not passed by the Government of the time being,) is to be considered sufficiently "uninterrupted" to give an Inam the benefit of this provision, if there be no entries in the Government accounts which shew that it must have been unauthorized by them.

Provision 5th.—If the forthcoming Records do not go far enough back to test the existence of enjoyment of the duration contemplated in Provision 4th as establishing full prescriptive title in such Inams, still, if so far as they do go they are not opposed to the claimant's assertion that sufficient enjoyment has taken place, the prescriptive title of the Inam shall be admitted according to his assertions, unless there be other evidence forthcoming to disprove them.

Provision 6th.—The peculiar advantages of this Rule shall not apply to the holdings of individuals in their own names for the performance of ceremonial worship, claims to which must be decided under the Rules for personal claims.

Provision 7th.—When claims of the denomination coming under this Rule are found to be unsupported by proof of original valid title, and are proved void of sufficient prescriptive enjoyment, they are to be adjudicated according to Rule 6.

8. All lands authorizedly held by an official tenure which it is evident from local usage was meant to be hereditary, and has been so considered heretofore, even though there be no sunnuds declaring it to be so,—for instance, Inams which form the authorized emoluments of any hereditary office, as of Kazees, Village Joshees, &c., and are not merely personal,—are to be continued permanently.

Provisions 1st, 2nd and 3rd.—The same as the corresponding Provisions of Rule 2 of this Schedule in those cases in which Title Deeds or other Records, proving the circumstances of the original grant, or its specific recognition by competent authority, are forthcoming.

Provision 4th.—When there is no proof forthcoming to shew whether or not an Inam, coming under the provisions of this Rule, was granted or

even specifically recognized by competent authority, still if it has been undisputedly enjoyed as an official and not merely personal holding, from the earliest period to which the forthcoming evidence does relate, it shall be continued permanently as official emolument, unless the claimant's own statement renders this course improper.

Provision 5th.—The provisions of this Rule are not in any way to apply to emoluments continued for service performed to the State, as the Service Wuttuns of Desaees, Surdesaees, Nargowdas, Deshpandes, Patells, Coolkuruees, Mhars, Tulwars, whose claims are to be disposed of according to the Rules which are or may be established for the regulation of such holdings.

Provision 6th.—It is to be understood that mere length of enjoyment of land as Inam by an official person is not of itself sufficient to entitle a claim to be brought under this Rule.

Provision 7th.—If a holding, claimed under this Rule, be found incapable of permanent continuance under it, the claimant shall be allowed the advantages of any of the preceding Rules of this Schedule which may be applicable to his case.

9. On the resumption of any lands under the Rules of this Schedule, a moiety, or other portion may be continued to the Widows of the last incumbents during their lives, in cases of proved poverty and destitution.

Provision 1st.—In the case of a holding, which is recognizable as an hereditary personal Inam, the widow of a proprietor who dies without surviving male issue, or other heirs to whom his Inam will of necessity descend, is by right his sole heir, and during her life, the Inam cannot be regarded as having lapsed to Government: it should therefore, in such a case be continued undiminished during the widow's life.

10. These Rules shall not be necessarily applicable to Jageers, Serin-jams, or other tenures for service to Government, or tenures of a Political nature, the titles and continuance of which shall be determined as heretofore under such Rules as Government may find it necessary to issue from time to time.

11. Any of these Rules may be relaxed in favor of claimants under instructions from the Governor of Bombay in Council, in whom shall also be vested the power of interpreting the precise meaning of any of the Rules respecting which a question may arise.

ACT No. — OF 1852.

An Act for the abolition of the Poll Tax, and for levying a tax on lands covered by dwelling-houses in Akyab and Kyook Phyou in Arracan.

Whereas it is expedient to abolish the Poll Tax now levied within the Towns of Akyab and Kyook Phyou in the Province of Arracan, and instead

III. In case of non-payment of the amount of the said assessment, or any part thereof, within eight days after the same shall have been demanded from the owner or occupier aforesaid by the said Commissioner or other Officer appointed by the Commissioner to collect the amount of the said assessment, it shall be lawful for the said Commissioner, or other Officer as aforesaid, to levy the same by distress and sale of the goods and chattels to whomsoever belonging found in or upon the lands so assessed or the dwelling-house thereon, and in case the amount of the said assessment or any part thereof, shall be paid by any tenant or occupier, or the same is levied by seizure and sale of his goods and chattels, such tenant or occupier may deduct the amount of the payment or levy from the following payments of his rent to his landlord.

IV. The Government of Bengal may at its discretion exempt any building from assessment.

V. No assessment made under the authority of this Act shall be impeached or affected by reason of any mistake in the name of any person liable to assessment or of anything chargeable with assessment, provided the directions of this Act be in substance and effect complied with, and no proceedings or other matter or thing had or done under this Act shall be quashed or set aside for want of form or error of procedure in any Court of Justice, but only on the merits.

VI. For the purposes of this Act the following shall be the boundaries of the Towns of Akyab and Kyouk Phyoo, viz. :

The boundaries of Akyab.—To the North the Charoogya Creek. To the West the said Creek and a Road running West and South until it joins the Bund called Morton's Bund, which leads down to the Sea-shore. To the South the Sea. To the East the Akyab River and Harbour.

The boundaries of Kyouk Phyoo.—To the North the Sea. To the East Oon Khyoung or Salt Golah Creek. To the West the Cantonments. To the South Kulabadong Lands, Kangyeendun Village, and Nga Tsoung's Grant.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 13th day of April next.
